A Place *for* You

It's a Safe Place...

In Aglow, you will find like-minded women and men who will love you unconditionally and help you to walk in the fullness of your God-given identity.

Encounter His Presence

The Holy Spirit has been our Leader from the beginning. It is who we are. It is what we are about. And it is all about Him... always.

Experience Unconditional Love

What drew me into Aglow was relationship and unconditional love. I could not have grown the way I have without that sense of safety and security.

— Jenn from Maine

Aglow has expanded the width and depth of my understanding of God.

— Kristi from Denmark

I joined Aglow to honor my wife. I never expected the blessings I've received as a result of connecting with this ministry. I thank God for Aglow!

I Want to Invite You...

When I began in Aglow, I was new to the ways of the Holy Spirit. I grew up with a reverence for the Lord. As a reserved, shy person, I was reluctant to give expression to what was in my heart.

I was invited to a local Aglow group in Edmonds, WA and it became a safe place to grow.

I want to invite you to come into Aglow. With local groups in over 170 nations, you will find acceptance, love, and an atmosphere to grow in your relationship with the Lord.

Aglow is a safe place.

Come on in, we will leave the light on for you.

President/CEO
