

## What God is Accomplishing Through APN

*No matter what time of day or night, I can turn to the intercessors on APN and my need will be covered. I have seen answered prayers, death with dignity, marriages restored, salvations, healings and more as a direct result of the prayers. There is a bond among all the participants that is unlike any other I've ever known in prayer groups. It's a GOD thing...*

*Through APN, I'm comforted to know that I'm not alone in my particular corner of the world.*

*People I have never met have shared deeply with me personal things straight from their hearts. Truly this is an illustration of the "Network of Caring Women" we strive to be.*

### Aglow's Vision for Prayer

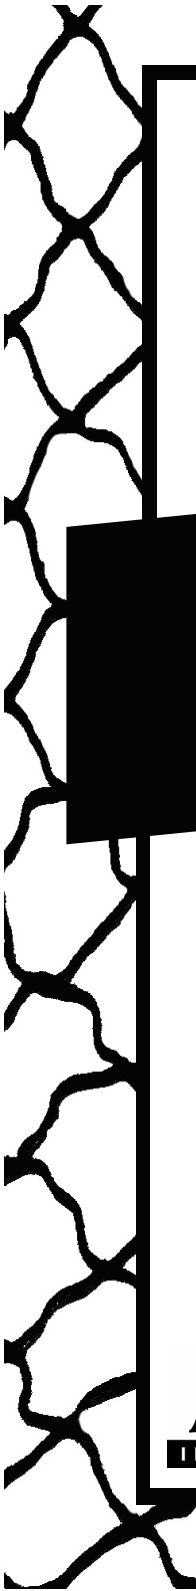

Aglow women and men around the world are people of prayer. We have learned that if we will pray, God will heal our land (II Chronicles 7:14). We urge each Aglow member to commit to pray for their "land," that is, their family, neighbors, co-workers, community, and nation. Through a commitment to prayer, we are building that spiritual house, a global house of prayer for all nations, in order to see God's blessing on the peoples of the earth and see their destinies fulfilled.

## What is APN?

The purpose of the Aglow Prayer Net is to “cast a net of prayer.” This network of Aglow prayer warriors lifts up the needs of the Aglow ministry and each other regularly. This network is different from traditional prayer groups in that the participants join together via e-mail messages requesting prayer and sharing praise reports. Yet, it is interac-

tive in that APN members may send personal words or scriptures of encouragement to each other as the Lord prompts them.

APN is an *e-community of prayer*. Many also will find this to be an opportunity to build mutually nurturing relationships with believers around the country and perhaps even around the world.

## How Does APN Work?

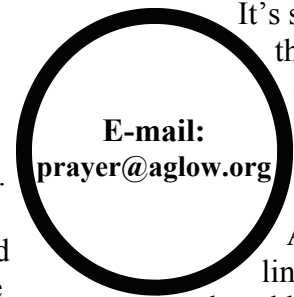

APN hub managers receive prayer requests and praise reports from the members of APN. These requests are compiled and sent to all the APN members in that hub several times each week. After praying for the requests and rejoicing with the praise reports, APN members may delete the requests. If a member feels that the Lord is giving an encouraging word for another member who has submitted a request, he or she may e-mail that person.

APN is not restricted to a particular geographic location because it “meets” on the Internet. It is not restricted to those who have flexible enough schedules to attend prayer meetings because each

member may access the e-mail messages at their convenience through their own home computer.

## What Does APN Pray About?

- APN members may request prayer for themselves and their personal needs and situations.
- APN members may request prayer for their family, pastor or church leaders, or Aglow leaders.
- APN members may request prayer for Aglow outreaches and ministry in their community, state, or region.
- APN prays regularly for national and international Aglow leaders and for the nations where there is active Aglow ministry.
