

“Come Up Here”

Asher Intrater

Aglow 2019 Jerusalem Convocation — Tuesday PM Session

I dedicate this to all of you who are watchmen on the wall for Israel. For all who are praying, I really believe that God is calling us to come up to a higher level. He is calling us to come up to a higher level of spirituality, of purity, and a new level of authority and power that we can take in the heavenly places to change the world around us. We do not have a choice anymore because we are getting to a situation in the world where either we are taking hold of this new level or we will be overrun by the world.

 **Key:** We must take hold of a higher level of authority and power to change the world.

I would like us to start in the book of Psalms. Turn to Psalms 110 and we will look at the first three verses.

This is a prophecy about the Messiah. It is one of the highest prophecies about the Messiah, and amazingly, one of the prophecies that was most quoted in the New Testament. This is a little different in Hebrew than in English, but I am looking at verses one and two in the Hebrew. We are in Psalm 110.

Psalm 110:1-3 *A Song of David – Jehovah said to my Lord, ‘Sit at My right hand until I make Your enemies Your footstool. And the staff of Your power the Lord will send out from Zion. And You will rule in the midst of Your enemy. And Your people will have a volunteering spirit in the day of Your power.’*

Here we have a prophecy of Yeshua before He was born on the earth. It is a very high prophecy. It is not Him coming, lowly, on a donkey as we see in Zachariah 9:9, but in a high place in Heaven in a place of great authority.

This Psalm is quoted many times in the New Testament. In fact, when Yeshua was challenged, and the High Priest said to Him, “Are You the Messiah?” He replied, “Not only am I the Messiah, but I am this Messiah, the One that is sitting at the right hand of the Father in power and in authority.” That is when they decided to crucify Him.

The Messiah is not on the cross today, and He is not in the grave. He is there. He is at the right hand of God.

Rule in the Midst of Enemies

Now here is something interesting in the Hebrew where it says, ‘rule in the midst of your enemies’ – the word is *radah*. It is the same word that is used in Genesis 1 when God created Adam and Eve and He said for them to take dominion over the earth.

Here is the Messiah, after Adam and Eve have failed to take dominion over the earth – He rises into Heaven and from that position, He receives all authority. God says to Him, “Now you finish what I told Adam and Eve to do. You take dominion over the whole earth.”

🔑 **Key:** We are positioned with authority to rule in the midst of all enemies.

What God said originally to Adam and Eve was not lost, it was fulfilled in Yeshua in this position in Heaven. It is a position of authority, of ruler ship, of dominion. It is not just Him, but this place of authority includes a group of people. God’s people that are volunteering in the day of His power. That becomes His staff.

We Are God’s Staff

It is interesting just as in Hebrew as in English, we have the same play on words. The staff is a rod, but it is also a group of people that are serving Him. We are His staff. We are His people that are volunteering in the day of His power.

🔑 **Key:** We are both God’s staff where His authority is seen in the earth, and His people serve Him to bring Heaven’s will and purposes into the earth realm, yet, we are seated with Him in Heavenly places.

Now this was a prophecy before Yeshua was born. Today it is not a prophecy, it is a reality. If you had read this prophecy you might have asked yourself, how is He going to get there? I mean, if He is in Heaven at the right hand of the Father, He comes into Jerusalem on a donkey - well, how is He going to get up there? He has to rise up there in order to get in that position. Did that happen? Oh, sure it did.

As a matter of fact it happened, the best we can tell, on the 43rd day after Passover, the counting of omer. Amazingly enough that is the same day that the Israeli army conquered Jerusalem. On the same day that Yeshua went into Heavenly Jerusalem, the armies on earth, years later, went into earthly Jerusalem. However, that is not what we are talking about here. Jesus is there now. He rose into Heaven to get to this place of authority.

Paul’s Prayer in Ephesians

I want to talk about Paul’s prayer for us in Ephesians chapter one. He prays for us to get a revelation of something that is happening. It is something that is not easy for the human spirit to grasp and this is why we need a revelation to understand it.

The Cross

I want to give you the kernel of that as I understand it today. Yeshua rose into Heaven. Now when Yeshua died upon the Cross and His blood came out, it changed the world, did it not? It changed you and me. It gave us forgiveness of sins. It gave us atonement. It gave us salvation. That is the most important single event that has ever happened. But that is not all that happened.

The Resurrection

There was a second event that took place when Yeshua rose from the dead. When He rose from the dead there was spiritual power that lifted Him up from the dead. That same power that gave Him eternal life, gives us eternal life.

There are two different events.

His **death** on the cross gives us **forgiveness of our sin**. His **resurrection** from the dead gives us **eternal life**. Do you believe that? Are you sure of that? Do you have that? I believe you do. That is not what Paul is praying for you to get.

Here is what I understand that Paul is wanting us to understand.

He is talking to the churches that he has planted. You understand the crucifixion of Yeshua. You understand His resurrection, but there is a whole third dimension that you are missing. There is a whole another dimension that is more or less parallel to the Cross and the resurrection. That is the **ascension**.

This is much more difficult to understand. You know how when you talk to an unbeliever about how the blood of Yeshua gives you forgiveness of sins and transforms you on the inside? At first they go, "Huh? What are you talking about?" You have to wait, for the thoughts, the revelation, the understanding to come. So we have forgiveness from the blood, we have life from the resurrection. But there is a whole third dimension and that is what I want to talk to you about today.

The Ascension

When Yeshua rose into Heaven, it was for a different purpose. It was not forgiveness of sins. It was not for eternal life. It was for dominion. It was for authority. He rose in that place as His crucifixion gave us forgiveness. His resurrection gave us life. His ascension gives us dominion authority and that is a lot harder for us to grasp.

 **Key:** We have forgiveness of sins through the cross, eternal life through the resurrection, and all dominion authority over any other authority through Christ's ascension into Heaven.

First of all He goes there and He gets all the dominion and authority. That is the easiest part to get. Can you grab that with me? Get a hold of that in your heart right now.

When Yeshua rose into Heaven, He took all of the authority. He rose above every power, government and authority in this world. He took the place where He is the ruling and reigning King with dominion over the universe.

Paul says that this is what I want you to understand. I want you to have a spirit of wisdom and revelation that when Yeshua rose into Heaven, He rose above all other authority. He took all authority and then He gave it to the Ecclesia - to the people of God! It is not just that He took it Himself, He gave it to us!

Just as you have forgiveness of sins in His blood and you have eternal life in His resurrection - you have, we all do – by faith, dominion and authority over every power and every principality in this world.

 **Key:** We have ALL dominion and authority over every power and every principality at work in this world.

Oh, that is nice preaching. But it cannot be nice preaching any longer folks. We need to take hold of this now!

World Conflicts

If you are somebody that watches the news around the world – it is a little hard to watch the news. We look at the conflict that is going on in Hong Kong and China. We have all been praying our hearts out for this. You look at the conflict that is going on in Iran. In the Middle East. In Britain. In America. In Ethiopia. In Uganda. In Brazil and in every nation of the world. There is conflict going on that seems to be overwhelming. I felt this way and I am sure you have felt this way. I have prayed into the situations, “God, what is the solution?” There is not any solution. That is the problem. There is no solution.

You cannot get a solution on the level where we are at right now. We are going to have to get to a higher level to get the solution. The world is waiting for us to get to this higher level. We have the opportunity to influence what is going on around us.

Exousia

When I say authority, I am not talking about an organizational authority where we take over the world. We are talking about exousia from the Holy Spirit where we have an influence over the world through prayer, through moral examples, through the Gospel, through spiritual authority. Yeshua has given this to us. We have to go to that place right now.

 **Key:** Jesus has given us power and authority to influence the world.

I told you this last night. We are just one week away from the election in Israel. We have looked at that. There is no answer. We have a whole country of geniuses that cannot figure it out. It just does not add up! You cannot figure the seats out. You can move the pieces around and it is not going to work out. There are no solutions for this government. That is okay with God because He wants us to go to a higher level.

We talked about this also, what is going on with the media today. The flood – as the Bible says in Revelation 12 the river spewing out of the mouth of the devil. The garbage and sexual perversion that is going around in this country today – you almost cannot say the word ‘straight’ on the television. You almost cannot say the word ‘marriage’. You get threats of lawsuits for being racist. I do not know how you figure that one out. We as believers here in Israel are being persecuted by the religious authorities. The Arab Christians are being persecuted by the Muslims. The Jewish believers are being persecuted by the religious community here. We are in an impossible situation. Hallelujah, God is not afraid of impossible situations! That is His job. God, we are in an impossible situation. We need You! “It is about time. How long did it take you to figure that one out?”

 **Key:** God is not afraid of impossible situations.

Higher Level Steps

I need us - you need to, I need to - we all need to go to a higher level right now.

- » **Step 1** — When Yeshua went to Heaven, He took authority over this world with Him.
- » **Step 2** — He gave that exact authority to us.
- » **Step 3** — He invited us up to Heaven to be with Him there.

|| **Ephesian 2:6** *And raised us up together, and made us sit together in the Heavenly places in Christ Jesus.*

He says we are seated with Him in the Heavenly places. That is an invitation to us. He took it. He gave it to us and He invited us to participate with Him. We have got to get to this folks. This just cannot be words on a piece of paper right now. This is a life or death situation for all of the community of faith around the world. So how do we get there?

Step 4 — We have access to Him through the Spirit of God.

|| **Ephesians 2:18** *For through Him we both have access by one Spirit to the Father.*

It says we have access to Him through the Spirit of God. When we pray, we have access to the throne of God. There is no other way to get there. You cannot take an elevator up. Through the Holy Spirit, we have access to the heart of God, to the throne of God and we can be there with Him.

This is what Paul explained to the church. We should have been having that all these years.

I believe that is not enough. We have to go a step higher. Paul explained that we have to have a real experience, to lay a hold of that right now. That experience is described in the book of Revelation. Let's look there right now.

How do we lay a hold of this dominion authority in the book of Revelation?

Now, this happened to John. John was on an island just off the coast of Turkey, called Patmos, and he had an experience where he was caught in the Spirit. His body was on the ground. His spirit – his body was on Patmos – but in the Spirit he was caught in to Heaven. This is what happened.

|| **Revelation 1:10** *"I was in the Spirit on the day of the Lord and I heard behind me a great voice as the sound of a shofar."*

You have enough Jewish roots to know that it was not a trumpet. It was a shofar. The word for 'great' in Greek is mega. The word for 'voice' in the Greek is phona - like phonetics or phonograph. You put those two together and it is a mega phone. You have a mega phone from the Lord and it is the shofar. The shofar is God's mega phone.

John said, "I was in the Spirit, and Jesus came to me and He spoke to me. I heard a great sound – mega phona – and it sounded like a great trumpet."

We Messianic Jews love blowing our shofars. I mean, we blow shofars all over the place. And mostly what we do it make the room stinky. It really does not make that much difference. The point is it is a 'sign' of God talking to us. It is God talking to us and we need to hear His voice.

🔑 **Key:** God is speaking, are we listening?

It Revelation 2, He says to every one of the seven congregations – "if you have ears to hear My voice." Wait a minute – He just said that He is speaking with a great voice. Then He is saying, "Do you have ears to hear?" It is like, "I am shouting at you, are you listening?" It is not that we are hard of hearing, it is that we are not listening. And He said, "Who is going to have ears to hear? You need to listen to My voice." We have got to hear the voice of the Lord today. We have no other choice.

We Must Hear His Great Voice to Overcome

As He spoke to the seven churches, five out of seven He called to repent. Two of them He did not. Of those that He did not call to repent, they were suffering. They were also dealing with their Jewish roots of the faith. Only the two that had Jewish roots were the two He did not call to repent. Amazing. They were entering into spiritual warfare of intense suffering. He is calling to them. To every one of the seven churches He says, “Do you have ears to hear what I am saying and you need to overcome.” That is a universal message to every single one of us. We have to hear the Lord’s voice and we have to overcome.

🔑 **Key:** To overcome, we must have ears to hear the Lord’s voice.

Now, I believe this. Yeshua is screaming at us with a big voice. Can we hear it? “You have got to overcome! You have got to overcome!” Overcome only happens when there is a difficulty in front of you that you have got to overcome.

🔑 **Key:** In order to overcome, a difficulty is involved.

I have been surprised lately that I have had some criticism saying that I teach things about the end times that are too positive. I just want to clarify something, do not get me wrong. We are having a bad time in the world today. It is going to get worse. It is going to get a lot worse.

I am not saying there is not going to be bad times. I am saying that in the midst of the bad times, we are going to shine. As it says in Isaiah 60:1-2,

|| *Rise and shine for the light of the Lord has come upon you! Because darkness has come over the world and confusion, fog over the nations. But the Glory of the Lord will shine upon you.*

🔑 **Key:** In the midst of the end time darkness, the Light of God will shine upon His people.

I want to make it clear. I am not saying there will not be bad times. It is going to be terrible! It is terrible now. And it is going to get a lot worse! But Jesus is saying, “You have got to overcome. You have got to overcome!”

Do you know how to say ‘overcome’ in Greek? Nike. You like Nike shoes? That is where they get that name. Nike means to overcome. It is the same name Nicholas. Nike, nikao and so, Nicodemus is also – victory.

Now listen to this. The word ‘Nikao’ is found 29 times in the book of Revelation. Twenty-nine times! How many times is it found to be the beast overcoming the saints? Two! Out of 29 times, it is referring to the beast overcoming the saints only two times. Twice it is referring to the white horse in the first seal. There is controversy as to the exact meaning of this; however, I still think it is victory. In any case, how many times is it speaking of Yeshua overcoming? Three times. That leaves 22 times left. Who is it talking about? You! You! You! You! You overcome. You overcome. You overcome. You overcome! You have got to hear this!

You must overcome! There are going to be massive difficulties. Twenty-two out of the twenty-nine times in the book of Revelation the word ‘overcome’ is used. It is referring to a challenge from God to the Saints to overcome. “Oh no, does that mean it is going to get worse? It is bad enough the way it is now. I am not overcoming much right now. How am I going to overcome if it gets worse?”

Well, here is the message I want to give you today.

A Higher Level

We have got to go to a higher level. After He told them to overcome this is what He said to John in Revelation 4:1,

After these things I looked and I saw a door open in the Heavens and the voice spoke. It was the same voice I heard before in chapter one. A great voice that sounds like a shofar. The voice said to me, 'Come up here! Come up here! And I will show you the things that must take place afterwards.'

When John was caught up, he looked into the end times. The things that he saw were not fulfilled in his life. He looked and saw things that were to be fulfilled in the future. He also saw a large number of people and his prophecies would be fulfilled in their life, not in his life. It would be in the future.

An End Time People Group

So I say, somewhere, sometime, there has got to be some people in which these prophecies are going to be fulfilled. I am saying this is no longer eschatology. This is no longer future prophecy. This is our predicament right now.

We are in a crisis. Either we are going to learn to lay ahold of that authority in Heaven like John saw or we are going to be overcome by the world. He said, "You come up!"

 **Key:** We have access to the authority of God through Christ that trumps all other authority and power.

The access he had is available for every one of us. There is an access to the authority of Yeshua, the dominion of Yeshua - over the government that you live in on earth. It is authority over the society that you live in. Whatever situation you live in, you have access in Heaven right now to go over, on top of that solution, and solve it from the top. We cannot solve this on a horizontal level.

 **Key:** End time issues cannot be solved on a horizontal level. We must be seated above them to take the dominion given to us.

Israel's Coming Election

Today I do not know who I am going to vote for next week. As a matter of fact none of the believers do. We are all praying. It is not a horizontal decision. We have got to get higher. We have to pray for this from above. We have got to get a higher solution over what is going on in our nation. There is not a human solution to what is going on. There is a level of spiritual authority above what we have ever imagined before.

 **Key:** There is a level of spiritual authority given to us by Christ that we have yet to access.

Now think about this, John could go up as one person. God told him to write what he saw in a book. Why? Because someday, sometime, somewhere there is going to be a large group of people that are going to read God's book and they are going to say, "Hey! I want to get what he wrote about."

That is what I believe God is calling us to right now.

In order to get to that higher level, we have to come into agreement. Yeshua said, *where two or three come together in agreement, anything you ask for, it will be done for them by My Father in Heaven.* (Matthew 18:19) I am telling you, two or three is not enough now. Even though Yeshua said two or three, I agree it is enough, but we are talking about the world. In your personal life, 2 or 3 is enough, yes.

If we are talking about changing history, we are going to need more authority than what we have had. If we are talking about what is going on in China, in Russia, in Africa, in the Middle East — for goodness sakes — in America, we need a lot more authority than that. If we all join together, if we humble ourselves, forgive one another, be joined together and we walk together with a pure heart — we can, together, rise to a place sitting in the Heavens with Yeshua.

A Multitude Walking in Kingdom Ascension Authority

How about here, right where we are right now? The Heavens can open and we can have access in the Spirit to what John had access to. Not just one person, but all of us together. We can lay hold of the authority that He has.

We are not going to solve the Palestine situation. We are not going to have a talk and figure it out. But if the Messianic Jews in Israel and the Palestine Christians come together, and we come in unity and pray, and understand that we have ascension authority at the throne of God, we could change the situation.

I do not mean to scare you, but I want you to understand that this is not just a nice charismatic experience. I am talking about we are in a crisis situation. We are at a crossroad. This is a do or die situation.

For those of you from America, if we do not go to a higher level, America is going to go down the drain. And China is going to have disaster. In the Middle East we need a miracle to get to tomorrow.

We have got to get to this higher level. There is a higher level for us. Now is the time for us to get to it!

 **Key:** Now is the time that we must rise to the high level John wrote about in Revelation.

Read Revelation as a Handbook

I want you to read the book of Revelation as a handbook because it says verse after verse how to lay hold of that authority. It says how to lay hold of that power.

In **Revelation 7** we see that we can be sealed with the power of the Holy Spirit and nothing will harm you. It says in **Revelation 8** that our prayers can rise into Heaven like incense and fill up the bowls of the angels and turn into fire and be cast down to the earth at right timing and right place.

In **Revelation 15** it says that our praise can overcome the beast. We must take that verse and take it off that page! Folks, we are facing a beast government! We are facing a worldwide government that is going to kill people, and persecute people, and persecute the saints, and eventually attack Israel. Folks, we can beat it by our praise! You must know it! You must know what that Word says. You must know that when we sing, our songs can overcome the beast! We have got to lay ahold of this. We must come to a higher level. We get unified, purified, and rise in the Spirit to a higher level where we can exercise

spiritual authority to change the world around us. We must do this to allow history to change, to allow our society to change, and to allow the Kingdom of God to go forward.

 **Key:** Rising to the position God has made for us is imperative. From this place of unity and purity, we are exercising spiritual authority — air supremacy — that is changing the world around us.

I am going to take another moment and then we are going to step into this together. Let us look at one more thing.

Revelation 10 speaks of us getting hold of this authority.

As Sarah said yesterday, we have got one foot in Israel and one foot in the nations. You have that. That is what you are here for. You want to get that. There is a new authority that is coming.

|| **Revelation 10:7** *But in the days of the sounding of the seventh angel, as he sounds his trumpet he said the mystery of God will be complete.*

What will happen at that time?

|| **Revelation 10:11** *And there was said to me, you must prophecy again. To nations, to peoples, to tongues and to kings.*

We are coming into a time – now this was said to John from Heaven. So, did John do it all? Was that it? Was this completed, was this fulfilled in John's life? No, but it was written in the Book for you and me to read it. He wrote down the prophecy. So he is prophesying to the nations of the word he wrote in the Book.

 **Key:** To activate the Word of God, it must be believed and spoken out.

 **Key:** We are the believing generation of people who will speak God's Word and the prophecies given that elevates us to a higher level of spiritual authority never experienced since Jesus walked on earth.

Come on now, we know better than that. It does not work when it is in the Book. It has to be believed and spoken into this world. I believe that is what he is saying here. There has to be a generation of saints in the end times that will read this Book, take the words of John and all the other prophecies – read them, understand them, believe them, and start to speak it out to the nations on a level of spiritual authority that we have never seen before.

We are this Believing Generation who is Rising

I do not believe this has been fulfilled yet. I believe it must be fulfilled now. I am not being selfish. I am not being arrogant. What I am saying is, is anybody reading the Book? Is there anybody who wants to believe this? Can you take this?

He says:

You must prophesy to nations.

You must prophesy to many tongues and tribes and nations.

You must prophesy Aglow to 170 nations.

You must prophesy to women and men in this meeting from 48 nations.

You must pray and speak the Word of God and change the situation in your world.

We must come to this place. You cannot do it alone and I cannot do it alone. We have to be able to do it together.

Revelation 11:15 —The sounding of the seventh shofar, great voices. Here again, see that combination — mega, phonics, shofar; great voice and the sounding of the trumpet. Saying,

|| *Now the kingdoms of this world have become the kingdoms of our Lord and of His Christ and He will rule forever and ever.*

That is the last prophecy in Rev 10:7, 11. That means, the prophecies we have now until that one are leading up to that last prophecy. Are you with me?

Here is my last point, try to get this.

Paving the Way for Yeshua's Return

If the last mystery, if that is the last mystery, the last prophecy, then all of our prophecies are leading up to that time — Rev 11:15. For in the process, we are not going to take over the whole world now, but we can begin to influence the world to get it ready — to begin to have a prophetic authority, a spiritual influence by speaking the Word of God, taking our Heavenly authority, and beginning to change the world around us to pave the way for Yeshua to return.

We must get to that point right now. Yeshua said

You must overcome. You must overcome.

You must come to a higher level.

You must come up here.

End Time Heavenly Authority Changes Things

You come up higher, not to only have a spiritual experience, but to have a spiritual experience in which we lay hold upon the spiritual power and the prophetic authority in Heaven and cast it down to this world and make it change something.

 **Key:** Demonstrating Heavenly authority from our position in Heaven will shift things on earth.

Well, how was that for an introduction for the Watchmen program?

I want us to enter into that high place. I want us to do it. We have got to step into it. I want us to hear what Yeshua is saying to us,

|| *“Come up here. You must come to a higher level so you can hear My voice. You can overcome. You can lay hold upon the mysteries of Heaven. You can take the dominion that was first promised to Adam then given to Yeshua, and delegated to you in the Spirit.”*

Propelling His Kingdom Forward

Let us take it right now and begin to move His Kingdom forward on this earth, and get ready for Him to come back and take over the Kingdoms of this world. That is what we are doing. We are moving it forward! Toward that time.

We are not a political threat to anyone. We are praying over the politics. We are praying for spiritual and moral influence. We are talking about righteousness. We are talking about justice. We are talking about moral values. We are talking about spiritual influence. We are talking about changing the hearts of the people in your nation.

Oh, you do not have any political power? If we change the hearts of the people, the government will change. Who cares what political party is there if the hearts of the people will change? That is the authority I want us to take. Do you want to do this?

We must say yes to the Lord. Let's pray a little bit. We are getting ready to pray. I hope you hear my heart brothers and sisters.

The Final Step – Taking Dominion

Just as you believe in the crucifixion of Yeshua for forgiveness, and you believe in His resurrection for eternal life, we must now believe that we have dominion. It is spiritual, not political. It is spiritual dominion over politics in His Name. That has got to be so sure in us. That you know that you could walk on water knowing that your sins are forgiven. That you know that you could walk on water knowing that you have eternal life. We need to be able to walk on water knowing that we have dominion in the Heavens over what is going on in the earth today and take up this mantle.

By standing, we are all saying to the Lord – “Yes, Lord. We are going to overcome. We are going to be united.” Listen, if we Arabs and Jews can be united here in the Middle East, believe me you can do it where you are!

Father, we stand before You right now. It is like we are standing in front of the Red Sea. We do not have a military solution. We do not have an economic solution. We do not have a philosophical solution. We do not have a political solution. But we hear You saying to us, “Come up here. Come up here. All of you. Come to a higher level. A higher level of understanding. Where you can see in the Spirit. Where you can understand what is going on. Where you can lay hold of spiritual power. Where you can take the dominion authority that Yeshua rose into Heaven to give you.”

We have no excuse. You took the dominion. You gave it to us. You invited us. You opened the way to us and You commanded us to take it! Lord, we do not have any other option. Lord, we stand here today and we say, yes.

Father, we believe right now in every one of these nations represented right here, that the body of Christ in every nation is going to have more Heavenly understanding, more revelation knowledge, more knowledge of how to pray, more spiritual authority, and more dominion. We will fulfill Revelation 10, to say we will prophesy to many, many, many, many nations! Many tongues, many peoples, many political leaders.

Lord, we pray for a change in the body of Christ around the world. Let us try to see this in the Spirit. I believe if we can see it, we can have it. Father, we want to see the body of Messiah around the world, different colors, different racial groups, and different languages, united together. Partnering. We see us rising together in prayer to a new level that we pray together from above, not from below. That we do not pray in the midst of the situation, but above the situation. That we are in the heart, in our spirit in the Heavens above many, many languages and people groups together. We begin to pray like fire. We begin to prophecy like a shofar. We begin to prophecy to nations. We begin to get this world ready for the coming of the Lord, the Messiah, the King.

I feel in my heart that the Lord is saying we need to take upon one another's burdens in your heart. How can we be together in the Heavens? I feel that we must pray for Hong Kong just as hard as our friends in Hong Kong do. And the people in mainland China — we pray for them. That in every nation, we take one another's burdens.

As I pray for the Arab people and our Arab friends pray for our people, we take one another's burdens. As we do, we just rise together. We rise together and we agree together. And we agree together for what will happen.

Father we pray for the body of Christ around the world to be joined together just as we are in this room. You know it does not take that much imagination to see it. Lord we see it. 48 nations in this room. 170 on the internet somehow. We are already there. Many peoples. Many tongues, many nations. Loving one another, submitted one to another. Lined up in love with one another and submitted to the Lordship of Yeshua and the Word of God.

We can prophecy and pray and praise the Lord and open the Heavens and receive this new anointing of the Lord. I pray for every one of you right now and myself. That we would be sealed with the power of the Holy Spirit according to Revelations seven. I pray for us that our prayers would arise to Heaven like fire in Revelation eight. I pray for us to prophecy in the nations as in Revelation 10. I pray our praise to overcome the beast according to Revelation 15.

Father, I pray we can hear Your voice speaking to us saying, "Hear My voice and overcome! Hear My voice and overcome! Hear My voice and overcome!" And I pray into every one of your hearts and my heart — I just speak this word in the scripture, Nike, Nike, Nike! You are an overcomer! It does not matter what kind of shoes you wear. But you are a Nike! You are an overcomer!

And we pray for people... Can you feel it? I feel people around the world, the believers are getting depressed. They are getting worn out, and they feel like they are losing. NO! No, no, no, no! We call the people of God, overcome. Hear the voice of Yeshua. Hear the voice of Yeshua! That is sounding like a mighty shofar! Arise! Overcome! Come up higher! Come up higher! Prophecy to the nations! Take your dominion authority! Sit with Yeshua in Heavenly places!

Father, we feel like the Heavens are opening above us right now. Your Kingdom manifest over us. It is all we need to pray with authority, and rise up to a higher level.

Father we dare to believe that what we feel right now, a Heaven is open — the Spirit of the overcoming dominion and authority in the Heavens. What we feel right now, Father, we pray to multiply it to the body of Christ in Asia, in Africa, in the Middle East, in Europe and America. Father, let it spread!

We pray together, agree with me right now — we pray for the body of Christ to rise to a new level. To ascend with Yeshua to the Heavenly places, to take up our dominion in Heaven. And may it be done on earth as it is in Heaven. On earth as it is in Heaven!

Father, I pray right now, to restore this kind of prophetic authority in the body of Christ. Yes to encourage one another, but more than that. A new prophetic time where we will do where it is written in Revelation 10:11. We will begin to speak God's will to a nation. We will begin to speak God's will to kings and political leaders. We will begin to speak Your will to people groups, to language groups, and to geographical regions. We will begin to proclaim the Kingdom of God.

Father, we pray to take up that dominion mandate. Not in a wrong way, not in a carnal way. But in a Spiritual way. In the name of Yeshua, Jesus – His authority over the nations. The Name of Yeshua.

I tell you in Jerusalem and in Tel Aviv you need a miracle to get a parking spot. But we want to pray for more authority than that. We want to pray to change our nation! Father, we take the authority in the Name of Yeshua and we pray righteousness in to our nations! We pray the Gospel of the Kingdom. We pray for justice and unity and peace. We pray for the freedom for the Gospel to be shared.

Let's let our praises rise to the Heavens like incense. (*Praying in tongues along with the whole audience. Shofar is blowing*) I want you to hear the shofar saying, Yeshua is Lord! Yeshua is Lord! Yeshua is Lord!

Hallelujah Father, if one door can be opened for John, how big of a door do we need for 48 nations, from 170 nations. Come on Lord, open the door, open the door, and open the door! Open the gates of Heaven! Open the Heavens from the east and to the west. Your people are calling unto You, God! We need an open Heaven.

Father, Your Word says at the end times the Spirit and the power that was on Elijah, Moses and the other prophets, and John will come upon Your people. Plain, ordinary people. Lord, we pray for the body of Christ around the world to receive this prophetic anointing. To receive this spiritual power. To receive the prophetic authority that was on Moses, Elijah and John and all the prophets. Moses walked into Egypt and said you either submit to the Lord, or you will be destroyed. As Elijah said to Ahab and Jezebel, we need a more lion-like authority in these end times. Father, as we come back here to Zion, Lord we are asking You as we tap in to the Kingdom authority of the Lion of the tribe of Judah. (*Shofar is now blowing*)

I just felt the Lord speak to my heart. You remember that first verse we read? From Psalm 110? He said, "I will send forth My power, I will send forth My staff from Zion." I want to pray for that to be fulfilled in our midst today. That when you go out from here to your 48 different nations. You are going to be the staff of the Lord going out — sent out, sent out, sent out. That you will be sent out from Zion as the staff of His power. Can we end with that prayer right here? Let's just raise up — I am not talking about me, I am not talking about you, I am talking about Yeshua's Word, the Bible coming true in your life right now, that is all. Nobody is being made grand here. It is you and the Word of God.

Father, I pray according to Psalm 110, for every person here that you will be part of what is written there. A people volunteering unto Him. The staff of Your power, Jehovah, will send forth from Zion. We pray for everyone here. You grab ahold of that verse. You be that staff extended forth into your nation to live the life — the sacrificial life of the loving Yeshua, to pray with spiritual authority, prophecy with a prophetic anointing. You be the staff of His power in your nation.

Father, we pray for that right now. We pray to bless every nation, every people group. We say by the grace of Yeshua — to every single church — ‘hear My voice! Hear My voice! Hear My voice! In the end times it is going to get tough but you have to be an overcomer. This is what Yeshua is saying to us. In the end times it is going to be difficult, but hear My voice and you become an overcomer right now.

Maybe one last prayer.....

Would you give me the grace and humility just to drive out of you anything that is not overcoming? *(Audience said, yes)* Hallelujah, I pray that for me too.

Father, in the Name of Yeshua, You called us overcomers. Yeshua, You commanded us to be overcomers. You spoke to us to be overcomers. And therefore in the Name of Yeshua, by His voice like a shofar, I drive out of you everything that is not overcoming! I declare you to be an overcomer. I command you, overcome! Overcome the world! Overcome the flesh! Overcome the devil – rise to a new level! Overcome, hear the voice of the Lord, the shofar is saying to you overcome! *(Shofar is blowing)*

Jane: *(praying in the Spirit)*

Let the sound arise. We receive, we receive. Come up higher. Come up higher. Come up higher. I just asked Asher - is it Nike that says, ‘just do it’?

What a powerful word! Do you feel stirred? It is beyond being stirred in the moment. He is sending us forth with new power, new anointing, greater revelation, and that word ‘come up higher’. He is calling everyone, everyone in the room, everyone who is on the webcast, everyone that is a part of Aglow. He is saying to us, “Come up higher! Come up higher!” And our response is Yes Lord! Just do it. Just do it.

It is like you do not want to leave this place. You do not want to leave this moment. Thank you Lord. Out of Zion - coming out of Zion comes forth the praise of Yeshua, our Savior, our Redeemer!

I believe this is a moment — Asher spoke about future times and things that are coming. We know. We read it. We believe it, but it is a time of preparation and our hearts need to be cleansed, and turned afresh and anew in a very strategic way to be fully prepared for what is to come. Amen.
