## **Dan Juster Tuesday AM Session – Are You a Five Pillar Person**

- » The Day of the Lord is the day when evil will be destroyed.
- » A way to hasten the return of the Lord is by living holy and godly before the Lord.
- » The **FIRST PILLAR** is that we must have a revived people who are passionate for Jesus.
- » Revivals will continue to come like birth pangs until the intensity causes Jesus to return.
- » God’s people worldwide must have a passionate love for Jesus, knowing, recognizing, and encountering the Presence and power of God before Christ can return.
- » The **SECOND PILLAR** is unity.
- » What if alignment with God is what produces unity that births revival?
- » As the Church comes into a place of unity and victory, we will see nations saved in a day.
- » When revival happens, a spirit of repentance resulting in holiness occurs.
- » The **THIRD PILLAR** is world missions that builds Kingdom communities built on the firm foundation of the Gospel.
- » The Gospel of the Kingdom is more than salvation. It is receiving Christ and submitting to His Lordship.
- » The Gospel of the Kingdom comes with signs and wonders demonstrated in powerful Kingdom communities founded in cities, towns, and villages.
- » Aglow is called to propel the Kingdom forward, reaching every community around the world.
- » The **FOURTH PILLAR** is that as the Gospel comes again to the Jews, their recognition of Jesus as Messiah will usher in His return.
- » The Jews must come to recognize and receive Jesus as Messiah before He returns.
- » We, as Gentile believers, as well as Messianic believers, are called to live in a way that our relationship with Christ causes unbelieving Jews to desire to know Him, too.
- » Jews and Gentiles are in a partnership to see Jews saved so that all Israel will be saved leading to the return of Christ.
- » The **FIFTH PILLAR** is about raising up people who are passionate about the first 4 pillars.
- » Aglow has been a unity of the church movement all along, all these years. I think that God had to first work through women to get past the obstinacy of men about the importance of these pillars.
- » Aglow is cutting edge in being a Five Pillar Movement.

## **Asher Intrater Tuesday PM Session – Come up Here**

- » We must take hold of a higher level of authority and power to change the world.
- » We are positioned with authority to rule in the midst of all enemies.
- » We are both God’s staff where His authority is seen in the earth, and His people serve Him to bring Heaven’s will and purposes into the earth realm, yet, we are seated with Him in Heavenly places.
- » We have forgiveness of sins through the cross, eternal life through the resurrection, and all dominion authority over any other authority through Christ’s ascension into Heaven.
- » We have ALL dominion and authority over every power and every principality at work in this world.
- » Jesus has given us power and authority to influence the world.
- » God is not afraid of impossible situations.
- » God is speaking, are we listening?
- » To overcome, we must have ears to hear the Lord’s voice.
- » In order to overcome, a difficulty is involved.
- » In the midst of the end time darkness, the Light of God will shine upon His people.
- » We have access to the authority of God through Christ that trumps all other authority and power.
- » End time issues cannot be solved on a horizontal level. We must be seated above them to take the dominion given to us.
- » There is a level of spiritual authority given to us by Christ that we have yet to access.
- » Now is the time that we must rise to the high level John wrote about in Revelation.
- » Rising to the position God has made for us is imperative. From this place of unity and purity, we are exercising spiritual authority — air supremacy — that is changing the world around us.
- » To activate the Word of God, it must be believed and spoken out.
- » We are the believing generation of people who will speak God’s Word and the prophecies given that elevates us to a higher level of spiritual authority never experienced since Jesus walked on earth.
- » Demonstrating Heavenly authority from our position in Heaven will shift things on earth.

## **Dan Juster Wednesday AM Session — Your Identity in Yeshua**

- » Identity is not only who you are as an individual. Identity is made up of all that has been poured into you by family, culture, and associates.
- » As a Believer, your primary identity comes from who you are in Christ and who He is in you.
- » Our identity in Christ trumps all other identities we have related to heritage.
- » Our identity as the Church includes Israel as part of the Church.
- » Our identity is both *in* Christ and *with* Christ.
- » Our first identity is found in Christ. We are raised with Him and seated with Him.
- » Jesus broke down every wall of division making way for both believing Jew and Gentile to have access to the Father.

- » The dividing wall that existed in the Temple before Christ, no longer exists. Jew and Gentile believers are one!
- » When we dwell together, His Presence is amongst us.
- » Believing Jews and Gentiles are fellow heirs in Christ.
- » In the Old Testament, the Jews were the only ones known as the people of God. Once Jesus came, Gentiles were grafted in and became known as the people of God, too.
- » The saved remnant within the nations will become the priesthood of those nations and the priesthood will be the ones who are grafted in with the Messianic Jews.
- » The Church is made up of those from all nations who are saved that have been joined to Israel and its destiny for the sake of world redemption.
- » Our connection to Israel through salvation makes us family.
- » Our being grafted in to Israel does not replace them, it makes us joint heirs with them.

### **Patty Juster – Wednesday AM Session**

- » We must equip the coming generations to be able to stay in faith during the difficult times of life.
- » God loves us in the midst of hard, painful, difficult times.
- » Our Christian walk will include painful experiences where God will carry us through as we press into Him.
- » Weak Christianity has robbed us of the strength to persevere during difficult times.
- » Difficult times, even tragedies, do not change the Sovereignty of God.
- » God is with us in every moment, good or bad.
- » God's Word must be so strong in us that situations will not move us from that place of faith, hope, and trust.
- » The testimony about God that we pass on to the next generation is of utmost importance.
- » Truths we can pass on as testimony is that in places of great hurt, trauma, or despair, God is able to turn that place of captivity into a place of fruitfulness.
- » When there is tragedy, when there is suffering, when things do not go the way you want, the level of the shaking that you go through is to the level that you have put roots into this world instead of into God.
- » Sometimes hard things happen so that greater Glory can be revealed.
- » Rise above things that come to shake your faith and trust in God by responding in worship.

### **Jane Hansen Hoyt - Wednesday PM Session**

- » As a Kingdom ministry, think beyond the local group and realize Aglow's call is global.
- » Built on Biblical foundational truths, Aglow's single focus is to propel the Kingdom forward.
- » A fresh outpouring of His Spirit upon Aglow is upon us.
- » God has mantled us with Kingdom authority, giving us the gates of cities and nations.
