Aglow: Why Israel? Although God's heart is certainly for every nation and every people to know the truth,- "there is only one nation and people that God made an everlasting covenant with and calls "the apple of His eye."

Slide 3

In the 1990's, God began to prepare Aglow to receive His mandate for Israel
Down through the years, Aglow has received prophetic words that the ministry was
called "for such a time as this." As early as 1992, a word came likening Aglow to
Esther, an ordinary Jewish girl who risked all to go before the King to stand in
the gap for her people against the plan by Haman to destroy the Hebrew race.

Before she went before the King, she called for a 3-day fast among the people.

In 1998 (and again in 2003), the Aglow ministry participated in a "Third Day" fast,
based on Esther 4:16. God was preparing us "for such a time as this."

(1999 AGLOW INTERNATIONAL CONFERENCE)

God confirmed the call of Esther in a very specific way through a prophetic word given
at Aglow's 1999 International Conference.

God prophetically extended His scepter to Aglow, calling the ministry to walk in the
authority and favor of Esther: to stand in the gap for the people of Israel against
the spirit of Haman, against the enemy's attempts to annihilate God's people...a
plan that has persisted through the years.

Slide 4

God's call began to unfold during Aglow's first journey to Israel in July, 2000. Just 3 months after the loss of her husband, President Jane Hansen led a group of 450 women and men into Israel to stand with the people and pray for the land. It was on that trip Jane heard the Lord speak a word to her heart that she would be going in and out of Israel over the next several years.

At that time, God also began to bring greater revelation concerning the Haman spirit – a spirit bent on destroying the Jewish people – and Aglow's role in exposing it.

In June, 2001, the call to Israel was confirmed by leaders in the body of Christ who serve outside the ministry of Aglow. At the All Nation's Convocation in FT Lauderdale, Florida, several prophets and apostolic leaders, including Don Finto, James Goll, and Tom Hess, called Jane out of the audience and laid hands upon her, praying and prophesying in relation to the call to Israel.

It was a public impartation, a public setting apart, – not for Jane alone, but for the entire ministry as well. The word declared that, as her eyes were being opened to the purposes of God for His people, so would the eyes of those "under her charge" be opened as well.

The word continued that there would come, through Aglow, a new injection into the global prayer movement and that Jane would call forth a "massive, corporate day of repentance" for Replacement Theology in the body of Christ.

It was a significant moment of impartation for Jane and the ministry of Aglow.

Slide 5

Slide 6

We returned to Israel in 2000, in May with 250 and again in September with a smaller group building new bonds of relationship between Jews and Christians.

We walked the land and met the people. We visited an army base in the Golan Heights and prayed with soldiers, placed a wreath at a military memorial, met with government officials, and planted 250 trees in memory of the son of the group's guide who died in combat just 3 months

God was allowing Israel to captivate our hearts.

Slide 7

Once again, Aglow's journey into the land in June, 2003, was significant in its timing.

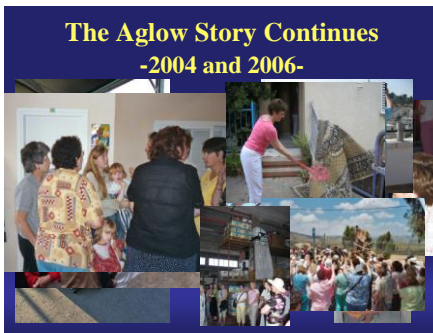

On June 5, 2003, Aglow women were praying in Metula, the northernmost point of Israel bordering Lebanon and Syria, while U.S. President George Bush was presenting his "Road Map to Peace" in Aqaba, Jordan while Aglow prayed for God's purposes for the land.

CLICK

The Chief Rabbi of Israel as well as the Minister of Tourism welcomed Aglow with open arms and were thankful that we had come. The Chief Rabbi declared Aglow: "YOU are the answer to the terrorists!"

Aglow has been called "for such a time as this!"

Slide 8

From the first journey in 2000 and each successive trip since, Aglow has been a source of encouragement for the people of Israel and have made an impact by supporting and honoring and ministering to the people,

and by means of tangible aid, distributing 1 ½ tons of school supplies, linens, clothing, medicines , and by offering help in homes, and food banks, luncheon programs and wherever needs are known

We have been given a first hand revelation of the complexities facing Israel and her people.

Slide 9

Conference speakers further open our eyes, enlarge our hearts and expand our awareness.

Jane continues to bring deeper revelation of God's heart for Israel and Aglow's place, in the unfolding of God's purposes in this hour.

To further equip us for the task- God places upon us the Jael anointing..... we will destroy the enemies plans and we will stand in loving support for Israel and the Jewish people.

Asher Intrater awakens us to our historical and privileged position as sons and daughters of Abraham. called to prepare a Kingdom on earth to receive her King

Don Finto brings a deeper revelation of how much the Church owes to the Jews and how the full blessing of the Church will come only when the Church has blessed the covenant people of God.

Slide 10

Aglow's call is enlarged as we partner with the messianic community in Israel - those Jewish believers living in Israel .

CLICK

At the 2 day conference at the Pavillion in King of Kings, Jerusalem, Messianic leaders tell us we are witnessing the beginnings of an unprecedented move of God among His people.

Slide 11

In 2006 Jane became a founder member of the steering committee member of the Knesset Christian Allies Caucus Women's Council. In May 2007 as part of Aglow's 7th trip to Israel over 250 Aglow women attend the first Knesset Christian Allies Women's Conference where Jewish and Christian leaders address the serious challenges and issues facing women throughout the world.

It is a historic moment

Aglow's Watchmen on the Wall

Over 700 complete the Watchmen seminar the first year

Over 90 participate in the commissioning ceremony in Israel

The slide features two photographs: the top one shows a group of people at a seminar, and the bottom one shows a commissioning ceremony with individuals in white robes.

The next day, at a one day conference at the Pavilion in Jerusalem's King of Kings, over 90 were formally commissioned as Watchmen on the Wall for Israel.

The Watchmen program, begun in 2007, is designed to educate and equip believers by providing them with a Biblical framework for understanding and accurately communicating issues regarding Israel: past and present. In its first year over 700 participated in the weekend seminar equipping them to be effective intercessors and advocates for Israel and the Jewish people.

The poster includes a portrait of a woman, a Star of David, and the text "The Israel Mandate".

So Corporately

we said, "Yes! To God"

We have traveled to the land, been captivated by it

We have embraced messages in our conferences

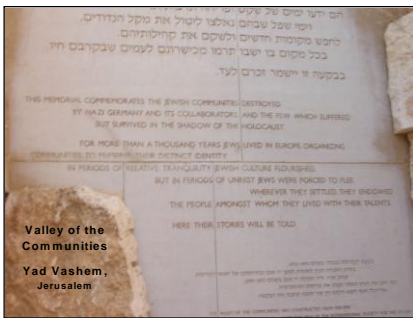

We have engaged with Messianic believers

This year we have taken our 7th trip in 7 years where many have been officially commissioned by members of the Knesset Christian Allies Caucus as Watchmen on the Wall for Israel.

Today, we agree to become trained and ready as “Watchmen on the Wall” for Israel.

To stand in loving support for Israel and the Jewish people, while helping to bring awareness to the Body of Christ concerning God’s plans and purposes for those people He calls the apple of His eye.

Slide 14

May 2004 The Director of the European Coalition for Israel stated **that “there is now widespread agreement that the present rise of Anti-Semitism in Europe is the most severe since World War II”**

Social historians are describing our present day as reminiscent of the 1930’s...events that resulted in millions of Jews murdered, the annihilation of over 5,000 Jewish communities.

Many are unaware of the seriousness of the having no sense of the extent of anti-Semitism, not only in Europe but in the Americas.

Anti-Zionism:

the new anti-Semitism:

a new look for an old hatred

Because racism is no longer socially accepted, It has taken the form of anti-Zionism -- the denial of Israel's right to exist --**a new dressing for the same old hatreds.**" It is penetrating the world today.

To impact and change a nation is to effectively impact and change its future leaders.

College campuses prepare leaders for tomorrow – but what kind of leaders?

Media hype and distortions worldwide present the Palestinians as the oppressed, victims struggling against an aggressive, militant Israel looking to destroy them.

Even though much of the issue is NOT based on truth, young people, looking for a cause, now see the Palestinians as the oppressed and Israel as the evil oppressor

-Anti-defamation League reports growing anti-Semitism on many colleges and Universities in the western world with verified hundreds of incidents against, Israel, Zionist the Jews

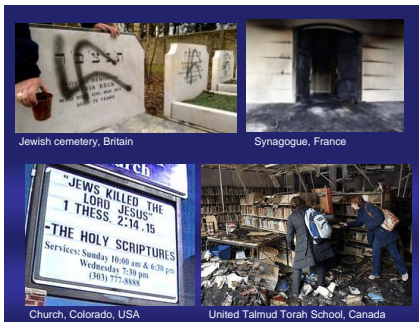

- Because controversial speech has always been welcomed at universities; more and more radical anti-Israel, anti- Jewish speakers are allowed a platform on college campuses in disturbing numbers .
- In September 2002, Ted Honderich, a Canadian-born philosophy professor at University College, London, delivered a lecture at the University of Toronto. **He said the Palestinians have a moral right to blow up Jews.**
- Student newspapers feature inflammatory articles by speakers hostile to Israel One student publication at Rutgers published a cartoon depicting a Jewish man suspended over a burning oven. The caption read “Knock a Jew in the Oven.”

More Muslim Student Associations, with solid militant Wahabi, Islam are springing up on every major campus, and are voicing a more radical view- seeking to intimidate those with different opinions, hoping to silence expressions of opposition to their anti-Israel and Anti-Semitic hate campaign

Universities in several Western countries boycott or discriminate against Israeli universities and hamper the careers of pro-Israel scholars. They propose that colleges no longer do business with companies that invest in Israel

Graham Leonard, the president of the Executive Council of Australian Jewry, reports that anti-Semitism is on the rise across university campuses in the country in the form of hate e-mails and graffiti, as well as violent incidents

Slide 17

Anti-semitism grows worldwide

Venezuela: A new report from the Anti-Defamation League (ADL) details that under President Chavez anti-Semitism and support for radical Islam grows.

- Tolerant Brazil, in recent years has seen a racist revival, especially in the big cities of the south
- The Times of London reported in Sept. 2006 anti-Jewish violence has become endemic in Britain, both on the streets and university campuses
- B'nai Brith Canada, Canadian Jewish Congress and Friends of the Simon Wiesenthal Centre announce a rising and alarming tide of anti-Semitism in Canada.
- -In Britain the media is openly scathing in their reporting on Israel. Spokesmen for the more than 2 million Muslims in Britain are virulent in their attacks on Israel and Israeli supporters.

- -A new wave of Jew hatred is sweeping France giving grave concern for the 600,000 strong Jewish community there..

Slide 18

**A lie told often enough
becomes a new truth**

Jews caused the Black Plague

Jews practiced Blood Libels

A lie that brought destruction

It is said that a lie told often enough becomes a new truth.

For centuries Jews believed to have poisoned the wells, and spread the 14 th century Black Plague that caused the death of 1/3 of Europe.

They were of blood libels- the use blood of Christian children to make matza (esp. Used at Passover).

In this atmosphere the most virulent lie ever perpetrated upon the Jews was birthed:
The diabolical book called "[Protocols of the Elders of Zion](#)," the most notorious and most successful work of modern [anti-semitism](#),

Slide 19

With the growing Russian revolutionary movement and the fear it produced in the Russian monarchy Tsar Nicholas II looked for a scapegoat. The Jews

He printed and distributed , a false document called “The Protocols of the Learned Elders of Zion”- 24 “protocols” (steps) **WORLD CONQUEST THROUGH A Secret WORLD JEWISH GOVERNMENT.**

People began to believe the lie and fueled anti-semitism.

In 1920 it was first printed in Great Britain. It immediately sold out and was reprinted 5 times.

Slide 20

The Lie came to the U.S. through Henry Ford, the founder of Ford Motor Corporation was a rabid anti-semite.

He republished "Protocols of the Learned Elders of Zion," and distributed 500,000

Today this claim of a worldwide Jewish conspiracy is promoted not only throughout the Middle East by television, by government leaders and politicians, but also embraced in varying degrees by many people in western nations.

It feeds anti-semitism

Slide 21

**In the midst of this- God has called His watchmen-
God is calling a New Testament Watchmen**

-Who are Watchmen? What do they do? How do they Watch?

A Watchman

- Watched the city gates
- Functioned as a sentry
- Peered into the distance
- Served the King of the Kingdom

The Old Testament gives us a picture of the role of the watchman

- The watchman was called to guard the city by watching over who entered and who left the gates
- He functioned as a sentry, a guard, a lookout to protect fields from thieves or prowling animals or the city from invading forces.
- From their position on the wall they could peer into the distance, therefore he was one who could look ahead and not only see the danger but welcome those who brought good, the friendly messenger
- the watchman served the owner of the fields, the ruler of the city. the King of the Kingdom
- in all circumstances, in peace and in war, and in all conditions, continually
- he served as a watchman until the King released him

I have set watchmen on your walls, O Jerusalem

God calls us as watchmen over Jerusalem to help establish His purposes, His destiny

-Isaiah 62:6 **“I have set watchman on your walls O Jerusalem, they shall never hold their peace day or night, you who make mention of the Lord (mention is a word meaning to remind, to bring to the fore) do not be silent until He establishes and makes Jerusalem a praise in all the earth.”**

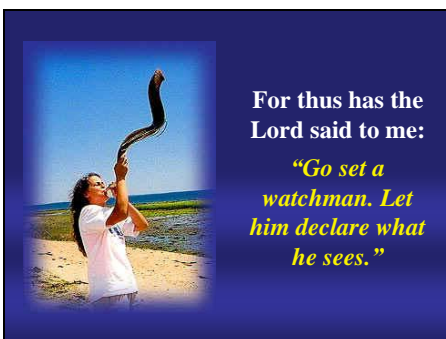

to protect, defend

-Jeremiah 51:12 **“Set up the standard on the walls of Babylon; make the guard strong. Set up watchmen, Prepare the ambushes, for the Lord has both devised and done what He spoke against the inhabitants of Babylon”**

Babylon is the world, the enemy of God.

As we stand guard as watchmen in prayer for Israel God will set an ambush for His enemy, those who work against His purposes and plans, just as He did at Ai (Joshua)

Slide 24

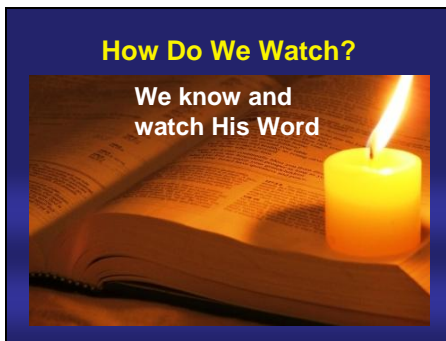

Watchmen declare and proclaim

-Isaiah 21: 6 – 8 “For thus has the Lord said to me: “**Go set a watchman. Let him declare what he sees.**”

Not only what he sees with the natural eye, but he declares what he sees in the spiritual realm

Slide 25

-We Know and Watch His Word- Though God is all powerful, sovereign, He chose to limit Himself and work through humans to perform His word in the world

-we know what to ask, declare, decree because we know what He has said in His Word

-we know that He is faithful to do what He has said

-Because He is watching over His Word to see that it is performed **and** we are part of the process

-A real collaborative effort that brings His Kingdom His will to be done

Like Daniel,

-(9:2) who understood by the books, by the word thru Jeremiah that the time of desolation would be 70 years and was coming to an end.

-9:3 *“Then I set my face toward the Lord God to make request by prayer and supplications, with fasting, sackcloth, & ashes.”*

- He entered in as a midwife to bring forth what God had spoken, he co-labored

-**“God will do nothing but in answer to prayer.”** John. Wesley

Slide 26

As Watchmen we are worshipers because worship brings intimacy.... Intimacy allows us to hear the Heart of God

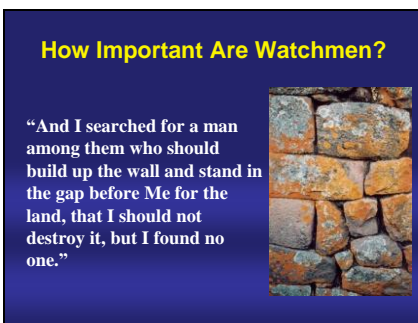

As watchmen we learn to wait

-this is the way of the Kingdom.... not instant.

He will reveal His plan, His timing, His way, His terms

-Is. 64:4 **“For since the beginning of the world, Men have not heard not perceived by the ear. Nor has any eye seen any God besides you, who acts for the One who waits for Him.**

-We wait for the strategy

How Important Are Watchmen?

Ezekiel 22: 30 & 31 says- **“And I searched for a man among them who should build up the wall and in the gap before Me for the land, that I should not destroy it, but I found no one.”**

-God was looking for someone who would come before Him on behalf of others as an intercessor” so that he could hold back judgement and restore Jerusalem

One person to be the catalyst for God to work

“make a wall”- drawing a boundary, hedging something, where the enemy has able to enter

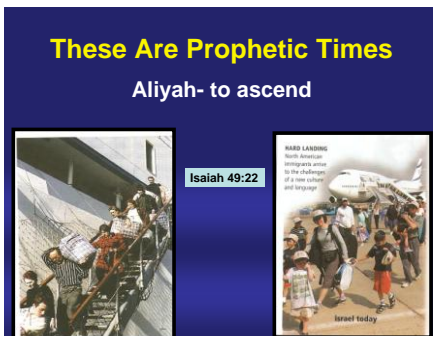

“stand in the gap” – like a plug in the breach against the work of the enemy allowing God to bring about His purposes closing the distance between the way things are and the way things should be

Our privilege is to effect our world through prayer, New Testament watchmen

So we

- Are taking that place between persons, situations, nations- and God
- seeing the way things are and calling for the way things should be
- we are bringing Heaven down to earth
- and as we pray for Zion- we continue until we see the full restoration fulfilled

Slide 29

There are beginning signs in our day that the full prophetic destiny is close at hand

Isaiah 49: 22 ...**Aliyah** (time when Gentiles would help Jews return to their homeland

Since 1948, over 4,500,000 Jews have returned to Israel from more than 23 nations., since 1990 1 million more return

Many ministries helping them financially

Slide 30

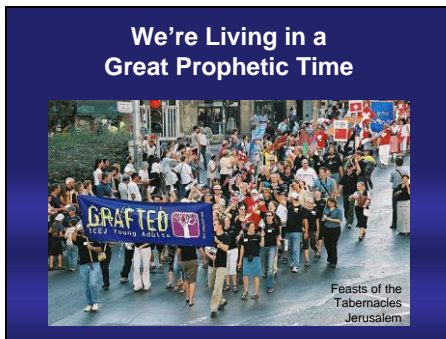

We're Living in a Great Prophetic Time

Of fulfillment of Isaiah 56: 6 – 8 : describes how are Gentiles (foreigners) coming to Jerusalem as a House of Prayer

EX. King of Kings, Tom Hess Inter'l House of Prayer, The Christian Embassy
Jerusalem Prayer Tower to name just a few

Slide 31

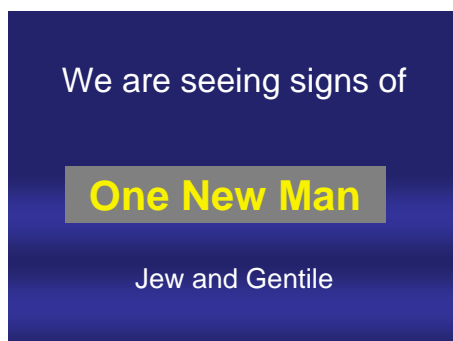

Men and women like you and me are responding to the call of the watchman of Isaiah
62: 6, 7 comforting God's people

and the fulfilling of :

Zechariah 14:16- All nations go up to Zion for Feasts of Tabernacle, 90+ Nations
coming to celebrate Feast of Tabernacles

Slide 32

We are seeing signs of the fulfillment of the one new man- Jew and gentile coming together- together in Christ. Pastor Shmuel of Haifa and his congregation are a wonderful prophetic picture of what God is doing in this hour.

He is an Arab believer pastoring a congregation of Arab and Jewish believers

Slide 33

God has given us the Key of David- to open doors to release what God has spoken-- with authority and with power

To see

- Jerusalem as a praise on all the earth
- the Peace for Jerusalem (Ps.122:6)
- the spiritual restoration of the Jews
- the blessing promised to Ishmael and his descendents

Slide 34

We are to stand as watchmen until

All the earth fears the Lord and stand in awe of Him

Redemption, the full blessing of Israel:

Ezekiel 36: 26 – 28 Isaiah 46: 13 Jeremiah 3: 16 – 18 Micah 4: 2 – 4 Micah 4: 6 – 7

the Spiritual restoration of the Jew

Ezekiel 36: 25- 28* Jeremiah 31: 31 – 34*
Jeremiah 33: 7 – 9* Isaiah 54: 1 – 3, 7 – 8, 13 Joel 2: 28 – 29, 32*
Genesis 17: 20* Numbers 15: 15 – 16 Isaiah 19: 21 – 25 Jeremiah 12: 14 – 17*
Ezekiel 47: 13, 21 – 23 Isaiah 61: 4 – 5

His judgement and his righteous reign is over the earth

Psalms 9: 15 Psalm 33: 8 – 12* Joel 3: 1 – 2* Zech 12: 3 – 4, 9* Ps 9: 19 Zech 1: 14

God has called the generations of this hour to be the “Spiritual Hinge” upon which rests the future of our society, our nation, the nations, and of Zion.
