

Frequently Asked Questions (FAQ)

A-Company

1. What does A-Company mean?

“A” comes from Aglow. “Company” is for the great company of women and men who are committed to strengthen and grow the ministry. People of “A Company” are committed to monthly financial giving.

2. Why should I become a member of A-Company?

Like David, a mighty man of war, those in A-Company are first to answer the call and to quickly run into battle. They understand the importance of sacrifice and have the desire to see it be done on earth as it is in heaven. If your heart rises in expectation of all God can accomplish through A-Company, then this is the place for you.

3. Is there a minimum amount that I need to commit to give each month?

You commit to give a monthly minimum of \$10 or more.

4. Can I give more than \$10 each month?

You can give as much as the Lord directs you to give.

5. I already give \$10 or more each month. Am I already a member of A-Company?

Membership is voluntary, not automatic. If you would like to convert your monthly giving to A-Company, email us at ACompany@aglow.org or call 425.775.7282. It's that simple!

6. In the past, I have given quarterly or sent in an occasional one-time gift that exceeds \$10 a month. Can I still do this and be a part of A-Company?

A-Company was designed to build a strong, monthly giving base, so that we are better able to plan regular support for those vital ministries within the Aglow ministry. While we encourage you to consider monthly giving, any gift at any time is a blessing. If you have special circumstances where a quarterly or yearly gift is more feasible for you, please contact ACompany@aglow.org

7. If I become a part of A-Company and my monthly commitment is \$40 or higher, can my annual \$40 Global Partner investment be taken out of my A-Company gift?

All monthly gifts given through A-Company are tax deductible. Being a Global Partner is looked on by the U.S. tax authorities as membership, therefore not a gift, and not tax deductible. By law, we must keep them separate.

8. How do I become a part of A-Company?

By debit card, by credit card or by AFT (Automatic Fund Transfer) from your checking or savings account. (Giving by AFT or recurring gift from your credit card saves the ministry time and money.) Next, complete the response form on the A-Company envelope and send it to the Worldwide Headquarters.

9. Why should I set up automatic payment of my monthly commitment gift?

Automatic payments accomplish 2 things. They make it easier to fulfill your commitment as the transaction takes place automatically each month on the date you indicate. Automatic payments also reduce the number of *manual* transactions that the finance office handles each day. This saves money, thus releasing additional funds for ministry.

10. How do I set up automatic payments?

We can do that for you. Simply provide your credit/debit card information by phone, or mail a voided check to set up AFT (Automatic Fund Transfer) from your checking or savings account.

Frequently Asked Questions (FAQ)

11. Can I send in my monthly check myself?

Yes, you can. However, we prefer that you would use automatic payments.

12. Are my monthly gifts through A-Company tax deductible?

In most instances, yes. Consult your tax advisor regarding your personal circumstances.

13. What is accomplished by my being part of A-Company?

You become intentional and proactive with God to help fulfill prophetic words spoken over this ministry. Your monthly giving assures our ability to commit regular resources to:

- Motivate and equip a passionate army of individuals sharing the gospel of Jesus in nearly 170 nations
- Help plant Aglow groups in every city, in every nation of the world
- Develop and strengthen one of the largest prayer networks in the world
- Develop leaders all over the world who display the image of Jesus and model the character of God
- Equip and release the next generations of Aglow.

14. What tangible benefits will I receive by joining A-Company?

- Monthly ministry updates featuring different aspects of Aglow outreach and ministry programs
- Exclusive, behind-the-scenes updates from Jane Hansen Hoyt, President/CEO
- The joy of knowing you are an integral part of one of the largest ministries around the world.

15. Can I designate my gift for a specific program, like Israel, Islam or Generations?

Those gifts, by law, go into “restricted” funds. Your gift “where most needed” (General Fund) will give Aglow the most flexibility to respond to ministry opportunities and needs including Israel, Islam and Generations.

16. If I give \$10 a month to my local Lighthouse, does that qualify me for A-Company?

A-Company gifts must be sent to Headquarters, where they will be applied to Aglow International’s General Fund, to support Aglow’s ministry as a whole.

17. How do I help recruit new Global Partners or A-Company members, and why do you want me to?

The most persuasive way of getting people involved in an activity is word of mouth. Inviting those you know to become a part of Aglow through event attendance, Global Partnership, and A-Company participation is one of the best ways to strengthen both Aglow and the spiritual walk of those you invite. Call Aglow International at 425.775.7282 and we will provide you with brochures to help you enlist others.

18. Can men and teenagers become a part of A-Company?

Yes. Anyone who has passion and who can commit to a monthly minimum gift of \$10 can be a part of A-Company. Each person must make their own individual commitment.

If you have any more questions, or if your question was not fully answered above, feel free to contact Aglow International at (425) 775-7282.
