New International Prayer Director

I am very happy to introduce our new Aglow International Prayer Director, Helen Duperree. Please extend your love towards her as we welcome her into this area of serving the Lord through encouraging and mobilizing prayer throughout Aglow International.

When I first met Helen, I sensed the Hand of the Lord upon her life, and I clearly heard Holy Spirit direct me to walk closely with her as her journey with Aglow International continued. She is a woman of deep relationship with the Lord with a heart that is singularly focused on pursuing His ways.

Helen has served Aglow International as a Regional Coordinator with Generations where she facilitated prayer at universities while integrating generations into the body of Aglow International. Untapping the giftings and callings in people to help point them to their destiny is paramount to her calling. She runs with the call of God to help empower the Body of Christ to see we are the Generation – old and young – running together, that will help to usher in the Return of our Lord!

Helen has served as Aglow State Prayer Coordinator in Pennsylvania for 6 years. During that time, she led teams of Aglow intercessors to dismantle demonic strongholds and release the glory of the Kingdom into the atmosphere as they prayed while flying over the state in seven airplanes. With her strategic insight, she also led teams of Aglow intercessors to take spiritual authority over the waterways as they prayed from boats through major rivers of the state. Yet, she also knows how to press into the heart of the Father in intimate times of intercession to bring His will into the affairs of earth.

I have great expectancy as I pray for the next move of God through prayer in Aglow International. I believe that Helen has come to this role as International Prayer Director for such a time as this.

Declare the Glory of the Lord Throughout the Nations

Aglow International expresses the Kingdom of Heaven in such a powerful way. God's Glory is seen throughout the world as women and men gather to pray, minister to one another, and reach out in their communities with the transforming message of the gospel. NOW, there is a fresh move of the Spirit of God upon Aglow International. Partner in prayer with this move of God's Spirit in your life, your family, your community, in Aglow in your nation.

Behold, I will do a new thing, now it shall spring forth; Shall you not know it? I will even make a road in the wilderness and rivers in the desert. Isaiah 43:19

- Lord, we eagerly reach for all that You are doing in our lives as You move in a fresh way.
- We expect breakthrough in our nations.
- We look for Aglow groups to spring forth in places where Aglow has not existed in the past.
- We expect to see rivers of living water and wells of salvation spring up in places that have been resistant to the Gospel.
- Lord, give us new strategies from Heaven to reach people with the love of Christ.
- *Look! You will summon nations you've never heard of. Nations who have never heard of you will come running to follow you because Yahweh, your God, the Holy One of Israel, has glorified you.* – Isaiah 55:5 TPT
- Lord, we call in the nations to follow You!
- *All the ends of the world shall remember and turn to the Lord, and all the families of the nations shall worship before You.* Psalm 22:27
- *Let all the earth fear the Lord; Let all the inhabitants of the world stand in awe of Him.* Psalm 33:8
- *All nations whom You have made shall come and worship before You, O Lord, and shall glorify Your Name.* Psalm 86:9

A Note and A Prayer

"Our call remains strong. The call remains clear. The call includes you. Together, Aglow will move forward into its future, into its new day, and He will make clear each step we are to take." Jane Hansen Hoyt New Day Conference

He is making each step clear in this New Day! Some of these new steps include new faces, as we allow for His concept of "generations" to emerge in our midst. Recently, the Holy Spirit was doing what felt like an audit with my life. He had me review my home state of Pennsylvania and look for lighthouses where there was a generational presence or a concentration on those coming up behind me. Aside from a couple scattered faces, I saw none. He pounced on that staggering thought, like a lion pouncing on its prey. I heard His voice speaking to me, "Let's go get them!" In that moment, I began to see His heart for this generation wasn't about passing off a baton to a younger battalion but about taking the hands of that battalion and walking with them as we walk into this New Day together.

Lord, thank You for Your call to gather the generations! Lord, You said to gather every generation! The people! The elders! The children! The nursing infants! As You clear each step before us, we take the hands of those alongside of us. We keep step with Your Spirit and walk as one into Your harvest fields across the nations of the earth! Thank You for moving Aglow forward into its future, as the wind of Your Spirit continues to blow!

Amen
