

A New Year of Harvest Anointing

Chuck Pierce

2011 Worldwide Conference, Houston, TX, Thursday PM

Wow! It is my honor to be here with all of you. When the Procession of the Nations was coming forth, it was as if you could feel eternity in this room, and all of us worshipping – all those who have gone before us, all those that are going to come behind us. Let's thank God for the nations and the kingdoms of this world, becoming the Kingdoms of our God! What a blessing!

This is the time of year I always start moving prophetically, and when I found out that Aglow International was going to be here in Houston - for fifteen years, at least, we have always had a gathering starting right now - and when Brian, my assistant said that Jane and all the Aglow International was going to be in Houston, I said, "Well, we are changing our meeting. I am going to be with that meeting!" I am telling you that the timing of this is amazing.

Let me read one Scripture tonight, so we understand what is happening in the heavenlies, and then I am going to share some things with you. I feel like the message I have tonight is so key, because this is really the first message I have given as we have entered the year 5772.

Now, the Book of Zachariah is an amazing book. I believe it is a book for this hour. It talks about this time of year prophetically, and in verse 16 of chapter 14, the Word of God says, "It shall come to pass that everyone that is left of all the nations which came against Jerusalem shall go up from year to year to worship the King, the LORD of Hosts, and keep - that is a covenant word - the Feast of Tabernacles. It shall be that whichever of the families of the earth do not come up to Jerusalem to worship the King, the LORD of Hosts, on them there will be no rain."

In other words, if you are willing to worship the LORD at this time of year, from nation to nation to nation, you are assured to have rain and be refreshed.

Let's thank God for the sign of the heavenlies that's upon this gathering.

And, of course, someone wrote and said, "Thank you for bringing the rain." I said, "I wish I could send the rain back."

And the Spirit of God spoke to me and said, "You have an apostolic anointing. Send that rain back to Denton."

And, I mean, I stood up and said, "LORD, I just decree, we send the rain from Houston, as a mission, all over Texas, especially up in North Texas."

We started tonight our Feast of Tabernacles, in this Yom Kippur time, and this Feast of Trumpets celebration time tonight, and when we did, lightning started breaking forth. Rain started breaking forth. They threw open the door on the new Global Center, ran outside and just danced – all in the rain!

I mean, it is a time that we want to understand, the refreshing of the LORD, but I really believe, Jane, that this time – for Aglow, this International Aglow – this time, beginning this year, this moment, probably has one of the greatest significant meanings that I believe we have ever had at an Aglow International. Let's thank God for the spirit of revelation that is coming in now, to rest upon each one of us.

Entering a New Year of Harvest Anointing

Now, let me show you some things, because we are entering a brand-new year.

Now, the Bible is written around God's feast times, and when you are in covenant with the LORD - you have surrendered your heart to the Lord Jesus Christ, you have asked Holy Spirit to come, you have surrendered yourself to serve Him in your territory - what you are going to find is the Word of God revolves - God wrote that word not around a Roman calendar, but around a harvest calendar. And so, every time this year comes He meant for us to go from harvest to harvest to harvest, until harvest became a part of our lives. And I believe **we are getting recycled back in God's timing**, and I believe **we are entering, this year, into a harvest anointing where we will see the harvest of the LORD in to nation to nation to nation.**

Developing a Mind for the Future

Now, I also believe, because we are in a new season, **we must develop a mind for the future.**

Now, **future** is a very interesting word, because it **means that there is a point in time you are looking toward.** **Future** is also a word, in the Word, that **is linked with expectation, so that means your emotions have to rally and rise up and look further into a place than you have ever seen before.** See as **God's children, we were called to tell the future, called to speak what was to be, what is to come.**

I believe right now it is very important that **we tell our mind to think the way God is thinking.** So, what I want you to do is **lay your hand on your mind (heart).** It is right here. See, the Bible – not your brain – your brain needs help, too, but let's work with the mind first.

Your **mind is interchanged with your heart**, Biblically, **as well as your spirit man.** And so, right now I believe God is bringing forth that which is so deep in our hearts, so we can see some things that He has prophesied begin to manifest.

So, Father, with our hands on our hearts we say, "Give us insight for the days ahead. LORD, we ask You to open up our hearts so the pure in heart will see God. We ask you to purify our hearts so that vision springs forth through us in a new way."

God Untangles Anxiety Knots

Now, as we move forward, one of the things the LORD did with me, starting this year – it actually began in November, at the end of October beginning of November at a meeting at Apostle Barbara Yo-

der's in Ann Arbor. We were in this meeting and the Spirit of God began to move incredibly. Paul Keith Davis was ministering and he was sharing on the history of revival. He was showing a video, and when that happened, all of a sudden, the Spirit of God came in and it was as if the LORD x-rayed the entire group of about 1000 that was there, and I could see in the middle of our spines, a knot.

And, the LORD said, "I want you to get up and decree that I will put My finger right in the middle of the knotted hopes and dreams, and the **anxiety** balls – that is what He said - that have amassed My people over the last season."

I got up to decree this, and I could see the LORD's finger coming down and beginning to release people from bondages from the past season, and I do not mean bad bondages, I mean good things they had been working through and walking in. And, all of a sudden, He untangled what was tangled up in us and started setting the course for our future. It was one of those intense, incredible times.

And I went back down and Wanda Davis said, "I see that same thing in you." And she said, "Can I put my finger right in the place that I see it?"

And I said, "Well, of course."

And when she did, I ended up laid out on the altar, and while I was laying there, the LORD showed me a key right in the middle of my spine, and He said, "This is what you have been using to run your life, your ministry, and accomplish what I have been asking you to do over the last season, but I want to remove that key from you."

A lady who has been in leadership in the Toronto Movement from the beginning of the Toronto Movement was in the meeting, and I am laying there – sort of trembling – wondering, "I wonder where I am headed?"

You know, when the LORD meets you like that, and you have run off of one key starting you and He is saying "I am going to remove it," you are excited, but you are also a little nervous.

This lady came forward and she said, "The Spirit of God is asking me to minister to you. I see a key in your back." And she said, "He is asking me to come up here and ask you, 'Can I remove it, and take it away so you fully enter into the new next season?'"

I mean, it was just one of those "Oh, my Lord, I do not know whether to look up. I do not know what to say. I do not know whether to get up, so I, you know, just shook my head on the floor, and by the Spirit, you know, she just sort of removed it, prayed over me, and I stood up and it was as if I could not find any of the contention and strife and anxiety that I had been carrying from the past season. I did not have the worries over my children – and you know your kids can push you over the edge, and I have six of them and seven grand-kids, and I put a circle around the date on the calendar when we are all doing well. We name those as holidays in our house.

But, I could not find any of that anxiety, and it was that awesome knowing that the LORD was, and had started my next new season. The problem is, I did not have a key, and I did not really know how He was going to ignite me moving forward.

I got back home, and I told my wife, Pam, what had happened. We have written an awesome book – I mean you know I have written a lot of interesting books – *Future War of the Church*, *God's Unfolding Battle Plan*, the last three books have been on time, redeeming the time – this book came out, and this book is very helpful. It is called *Time to Defeat the Devil*. I mean, it is a very helpful book, but, actually, Charisma magazine named the book, and it is not exactly what you think. It is about how we get fragmented along the way, and how the enemy takes advantage of that, and this book is about how to defeat the enemy so you can become whole and walk in wholeness, and, every time he tries to come against you, you just put your foot on him.

So, it is an interesting book. I have written a lot of books like that, *Worship Warrior*, and one lady stood up and asked, “Have you written a book that won't stress me out?”

And I said, “We have a couple, but the latest is called *The Rewards of Simplicity*.”

My wife wrote the first half of it. Simplicity is a vision word, and she explains Shabbat. She explains how to simplify your life. She explains how you get clear vision. The last half of the book is on the opposite of simplicity, which is anxiety.

I wrote the last half of the book.

It is an awesome book, together. So, I want to encourage you – visit out there, get some materials that will help you move forward.

So, this is what happened when I got back. I told Pam what was happening, and all of a sudden we got a call from my daughter – we have five sons, one daughter – and she said, “You guys come over.”

We went over to see them, and my son-in-law, and he said to us, “We feel like God is calling us to develop a new level of faith, therefore, I'm quitting my job.”

Well, this kid won the Governor's Award in Texas – he is brilliant. He had an awesome job. He is the only one that made big money, you know, and all of a sudden he is saying he is quitting his job.

And, I said, “Well, great.” And we just started praying for them.

Well, he got a job offer in Paris. He got a job offer in California. Then he got a job offer in Brooklyn. He said, “We are supposed to move to Brooklyn.”

Brooklyn... so my daughter, my grandchild, I had to let go of that.

Then, my son who had been a policeman for ten years, came and said, “Dad, I am not supposed to be in the police force any longer. I am supposed to quit my job.”

I kept asking the LORD, “Surely there is a key that you are going to give me, and it is going to be from somebody who is working.”

He said, “And we are supposed to move to Israel.” Well, his wife is half Jewish. She is half Cajun and half Jewish – imagine that. Beautiful.

And, the interesting thing about that was that I began to perceive what God was doing, because, when this son was three months old, in his baby bed, his mother and I were praying for him, and the LORD said, “You will give him to My land in the time of war.”

We had that recorded in his baby book, and he knew nothing about it. Twenty-eight years later, God is beginning to fulfill that word. And that is why I am sharing it with you.

They went to their first stint in Israel there in Jaffa, and they came back. And, they leave on October the 6th, to go live in Israel. Let's thank God for the land of Israel. They will be working, actually, in Israel, so it will not be the same as just going in and out. So, it has been an interesting journey.

Then, one of my kids, the 6'8" wild drummer, I looked outside in February, and he is sort of wild, and he was down on his knees and the Spirit of God came down, and he has been radically saved ever since! Let's thank God for that!

Now, I am sharing this with you for a reason. I felt like I lost the key that had caused the power I had had for one season, and really hadn't got the key for the next season. But, all of a sudden, it was as if the LORD said, “You have prayed through everything I am now doing. Watch Me do it! **I will give you the key to start you into the next new season when I am ready for you to handle it.**”

That came in April of this year, when after Cindy Jacobs had prophesied almost ten years ago that our ministry and our body would be in Corinth, Texas. We were in Denton. Corinth is before you get – it's in between Dallas and Denton, right on 35 there, and she had prophesied that.

But then, Cindy, you know how prophets are. She came back five years later and said, “You're now to move North.”

Well, Corinth was South, and now she was saying we were to go North and buy land.

We went North and bought land, but, we had all those prophecies about Corinth and they had a big Boeing building that been there, desolate, for twelve years. And, they contacted us.

I sent a team around it to pray. They contacted us, and all of a sudden, the LORD said, “This is your place.”

Now, I am saying that to allow you to know, some of you have heard the Word of the LORD and gone one direction, and because we bought the land up North, we could be positioned for our future in a prophesy that had been spoken ten years prior.

There are certain things God is doing now that you have already forgotten about. There are certain keys He is giving you now, that you thought that season was over. And, all of a sudden, He says, “Now you are ready to see a performance of My Word.”

Now, with that, here is the important thing, and then I am going to share with you what this year is all about.

2011

I was in New Jersey in 2008, the end of May. We were opening the Gate in 2008, and that is where most of our inheritance of this nation came through – immigrated through – at Ellis Island, Liberty Park. And, I was supposed to be the speaker, and when I got there, the Spirit of God fell on me. He visited me for four hours. He caught me ahead three years, and started showing me what was to come, beginning in June 2011.

He showed me our nation, the United States, if you other nations will permit me to share this. He showed me our nation, and He showed me state by state by state. He showed me the reality of our Covenant with Him, and there were only 21 states in Covenant with Him.

Then He showed me nation by nation by nation. He showed me how 153 nations, beginning in June of 2011, would start aligning and determine Israel's presence relationship with the nations. He showed me that by September of this year, and I have written part of this in Redeeming the Time, that by September of this year, nations would vote on their relationship with Israel.

That has happened. That has been proposed – not voted yet.

He showed me our nation hanging in the balance. This was before our President was elected. I already had prophesied back in 2005 our next President would be a black man, and He showed me that he would make a statement, and that in his statement in May it would shift power.

All of a sudden, I knew we had entered a new season, and this is what the LORD told me to do.

He said, “You prepare Me a garden. And if you are willing to prepare Me a garden that represents Israel in this nation, the nations of the earth will have a place to come and visit that garden, and this nation will not be without a place that is fully dedicated to My Covenant land, Israel.”

I went back home and I told Pam all about what had happened to me. I wrote it all down. I drew out every state, what God had said. He showed me thrones of iniquity in every state of America. He showed me the nations that would not align for the future.

It was really one of those interesting times that now is playing out moment-by-moment-by moment, just as God said.

But, the one thing He showed us to do was to plant Him a garden. So, when we took this building that was so desolate, instead of jumping in and saying, “How are we going to build the building? How are we going to move the ministry? How are we going to do all that thing?” the LORD returned us to the garden.

Now, I want to encourage you – **that was the key to my future.**

It was not building a building. It was not establishing a ministry. It was not ministering prophetically – the way I had always ministered in the past.

It was returning to the garden, the way He intended communion, and coming into a new place of communion representing His covenant that was a dimension of communion that I had never been in before, to the point where He became so near that before I could even utter something I would watch it happen.

Now, I want to encourage you. The LORD is very near. He is very near to you. He is very near to the nations.

He is taking us back into a place where He meant for us to be in the beginning, and out of that place of communion, we can move forward.

So, we planted a garden, in the hottest Texas drought weather that could happen, and it was amazing.

He would say, "You pray seven straight days, I will send you rain on the garden."

We would pray seven straight days. It would start raining the minute the seven days were up. It would rain enough so the refreshing power of God would come.

Let me show you a few pictures, because I want to encourage you. The LORD gave my wife, who understands – she is a Chief Master Gardener – every tribe of Israel downloaded every plant, either from Israel or plants here in Texas comparable to those plants. This is what Israel will look like in its flourishing time.

We have had Jewish leaders from Israel come now, look at the garden and begin to weep, saying, "We can better understand God's intent for Israel from here than being in Israel."

And, I want to say to you that this ten acre garden has every tribe represented. The Lion of the Tribe of Judah overlooks it, because God has a new order for His people as we move forward.

I am here to tell you tonight, **I consider this meeting the most important meeting going on in the world of God's saints, and leaders, and women that He has called together, and men, for a time such as this because of how we are about to flourish in the earth. We are going to move in a fragrance and dimension we have never moved in before.** So, let me share some things with you as we move forward.

A Time of Seeing

We have entered into a time of seeing. Now, these three years – let me give you a time-frame over what to watch –

2008 - A new date form, we actually entered the three-year transition for a new season.

2009 - Many of you will look back and you will say it was as if darkness was trying to overtake and stop us. And then in...

2010 - How many of us were not tested?

We could turn the lights up, because those of you who were not tested are going to pray over the rest of us.

Testings became so strong God was saying, "I am forming your testimony for the future." Some of you went through health issues. Some of you went through losses that you thought would devastate you. Some of you went through financial issues.

Now we are in 2011. But in God's calendar, today, 2011, 5771 makes it shift. Therefore, **you have to make a choice today.**

Do you know what 2011 was about? What the number 11 is about? What the number 1 is about? And 10 together? (In the Leader's Summit, Graham Cooke taught 3 sessions with the first one being *Establishing a Kingdom Culture.*)

Making the Choice

It really looks like this. You get to the top of a staircase and you have to determine, will you open the door at the top and go through, and go beyond where you have never been before, or will you go back in, go back down, and let the judgment of the past season catch up with you?

Tell somebody, "I have decided to go on through!"

You are actually setting in the moment where the LORD says you stand at the top of a staircase, ready for the new season, and the door for that new season to open up. Choose you this day! Will you go through?

If you are alive and breathing... I love what we heard from the Netherlands... take a breath. If you are alive and breathing, you are a candidate to go into the new.

Tell somebody next to you, "I qualify for this season!"

Because, in God's calendar, we have three months that we can get in revelation and start flowing in revelation, and gain order, so that when we shift in our calendar in January, we are already moving in God's plan as we move forward.

Now, 2012, which we are overlapping and entering into 5772, we are entering a new administration. (In 2012 only Jane Hansen Hoyt and Graham Cooke spoke at conference, both about a new Kingdom focus.)

Now what does that mean to us?

The way we have done church, the way we have done ministry, all of a sudden we are coming into a Kingdom expression that we have never been in before. We are coming into overcoming strategies.

You thought you were going to be taken out in the last season. You are still here, so in this season you are going to defeat the enemy that tried to take you out.

Three Year Transition

Entire nations are going to make a shift. We enter a 3-year new transition where we are establishing our future. We are establishing what God has. This year is the year where it is so important we understand what we are doing. And the year 13 will be our biggest snare that we have ever known.

We must stay alive with each other. I've been an "Aglow girl" since the early '70's – so listen men, you who are here and that are visiting with us tonight in Aglow International. I would not be standing here, nor have the ability to have developed my gifting without this ministry. We must stay and aligned how God has aligned us, because His army will begin to advance, and by 2014, we will actually be seeing nations delivered and coming under the power of the LORD.

Now, with that, we have entered this time to see and gain vision for the future. There is a moment that you must know is your moment of change. At that moment, you make a decision. At that moment you say, **"LORD, I'm moving with You, into this new season. I'm not going to remain where I was."**

You must begin to expect... everybody say "expectation."

You must expect your blessings to manifest. You must know that your earthly inheritance is not what rules you. The Bible says He is Father of your spirit. Your mother – the sperm and egg might have come together and created what you have known as "you," and even a DNA structure, but He knit your spirit together, and in the midst of this changing season He is bringing a new move of the Spirit of God.

Holy Spirit is ready to move through our spirit. You must say, "If I need mending, get mended." Let God put you together so that your identity for the future has been established. You don't have to stay with the brokenness of the past. The LORD is ready to bring you in, in a new way. He wants your spirit to soar, even more than that balloon. He wants you to soar right on up and into a whole new realm, so you are seeing things in ways you have never seen before.

Now, let's look at this as we move forward. What is this season ahead... what does it look like?

We have now entered, today – everyone say "today"! Now, the Bible says, "Today is the day of your salvation!"

"Today, if you will hear My voice"...

We have entered the year today of 5772 in Hebrew. 70 is the season we are in. It is the season of... it actually means *the eye of God watching*. It is the season of Heaven and earth connecting and new wells forming... this whole decade. New wells rising up.

But the year 2... two – the year Bet – has an interesting meaning. **This year actually means we will pierce the world structures and recover captured blessings.** In other words, what was captured in the last season you kept going. You tell someone, "I did not slow down, I kept going, but I lost a lot back there."

Whatever got captured, envision. Whatever got captured, that you had to keep moving and you did not see fully manifest, the LORD says, **“I will show you how to pierce through worldly structures and worldly blueprints that are holding My Kingdom vision captured, and you will come out with the spoils that I intended you to have... not just the spoils of last season, but spoils seven times greater!”**

Let's give a shout for that!

Bet, the year 2, and this is why it is so important this meeting... it is the picture of a house. This is the year of the house. **It is the year that He is establishing His house.**

Now, with that, it actually means, in other words, **we will be returning to Bet-el, His house. We will be coming back to a place where He has met us before, and He is saying, “I've just been waiting for you to come around and come back to a place over things I released in the earth that never manifested fully, so I can manifest those things fully in your life.**

Actually, the word means “This is the year of the container.” Every port city in every nation becomes very important, but it is not just about that type of container, it is about this container. God is looking at every container. Treasures that have been locked up.

The word means three things really.

- I am dealing with the house, My house.
- I am dealing with your dwelling place – you are going to have to come into a new place of abiding in Me.
- I am dealing with your home.

The house and the home are two different things. So, with that, I feel like it is Aglow International's greatest year to penetrate the homes from nation to nation to nation – penetrate the homes of nations, so that homes in every nation will have a choice to open their door to the LORD, but not only that. Aglow International will be used this year to establish the House of the LORD from nation to nation to nation.

It will be different that what you have been before.

- You will be sought after.
- You will be requested.
- You will know how to use the home to establish the House.

I am going to say that again.

Every nation will learn, this year, how to use their home to establish the House.

There will be a return of God's Glory to the home this year. Many of you have been waiting for your **prodigals to come home.** This, now, is the year that prodigals say, “I'm finding my way back to the House.”

And so, this year becomes so important.

So, you have Ian (sp?), the ten year season we are in that will go through 2020. The Ian is an eye... “the eyes of the LORD run to and fro.” **He is looking at the earth to see who is willing to allow wells to rise up in lands – new wells to be opened up – wells of the Spirit.**

but this year is not just about the House. The Eye of the LORD is looking at the House. The Eye of the LORD is looking at every ministry as we enter today. The Eye of the LORD is looking at every meeting like this as the nations progress and process by us. The Eye of the LORD is watching over His House, **therefore there will be a supernatural Grace to move in restricted countries where the House has not been recognized.**

And so, this becomes an important year. **The blessings of the LORD will penetrate the House.**

Now, I want us to stop for a moment. Ask the blessings of the LORD that have been held up to come and manifest in your house. Just ask Him right now. Today He is ready to come and manifest.

Some of you have endured sickness. Now healing will manifest in your house.

Some of you will prophesy from your house and change the course of your entire region. **The Kingdom of God within us will now be demonstrated through us and pierce the world.** That's what the word actually means.

Now, there are other words, like bright, shining, sun. Gospel is a bet word.

Fragrance. Some of you are going to be standing in some peculiar places and the fragrance of the LORD is going to permeate and sweep through, and you are going to know that a miracle is right there on the other lane of the grocery store.

The LORD says our senses are going to come alive because He is penetrating the container where His Spirit dwells.

Now, this is what I want to end with tonight. **Women building for the future.** See, I have traveled with many of these wonderful leaders here, over the last 25 years, and I know how women have authority in the house. I would be crazy to go back home and start telling my wife how to run the house. She knows how to run the house. On my behalf, she knows how to run the house.

But, this year is different. This is why I think you are here. This is why I think I am here. This is why I think my message was not for our (Glory of Zion) gathering. I did not really have a message for our gathering.

I felt like my message was for this gathering, for the new year, because women building our future – men, it is so important that you get this – it is so important that you understand this, because the Bible says we submit one to another. There is a whole new dimension of submission entering the earth realm from Heaven, and this year is the year that women build our future. **It is that level of a war year, just like 1942.** It is that level of a war year, in a different world, in a different society, and now women rise up and start building – you know what that word means? It means to set the frame so that sons and daughters can be added to. Women start building our future.

Four Houses Modeled for Women

So, I really got before the LORD when I got here, and I said, "LORD, show me the four houses that will be models for women this year.

Let me leave four houses for you, and then I want to end by making decrees over us. And then, while I was sitting on the front row here, and we were worshiping, the LORD said, "You will commission them, this group, to go forth to accomplish My purpose.

We have not yet seen what Aglow International will accomplish this year. It will be as if everything that has been going on for the last 40-something years, now **God will unlock things that never had an opportunity to manifest in other seasons.**

Now let's look at these four women's houses that are so important for us to understand.

The House of Rebekah

I believe **the first is The House of Rebekah.** I know Sarah is our first woman that is mentioned in the faith chapter, but the LORD said, "This season the women must understand the house of Rebekah. **She had two nations within her,** but she didn't just have two nations within her, **she had the prophetic word from Heaven to guide those two nations.**

Remember, when she was pregnant the LORD said to her, "Two nations are in your womb. Two people shall be separated from your body. One people shall be stronger than the other. The older shall serve the younger."

Do you know, almost thirty years, twenty-four or twenty-five years later, all of a sudden, she was the only one who knew the prophecy when tradition was going to go a different direction with who would rule? Isaac, the father, the man of the house, was going to do what covenant tradition had always dictated, and lay hands on the older son.

Rebekah knew the prophetic word. And, hear what I'm saying to you.

Women, this is a year you must know that the prophetic word you have been carrying through the seasons NOW that prophetic word will be used to set order in the earth realm for nations ahead.

Well, yeah, she might could have done it a little better, but that was not the issue. If she had not made a move, there would have been a release that set a wrong order. She knew the prophetic word.

This is a year we must model after that house. There are certain things you have so deep in your heart... some for the nations... that when you see something going one direction, you will have the ability to order it into its right direction. This will be known as "The Year of the House of Rebekah."

The House of Abigail

Then, **the next person the LORD said** – you would think He would say Deborah, but I guess we have taught about Deborah and we have had other seasons about Deborah – the next one He said **was Abigail.** He said **that is the type of woman that will stand this year. She will stand between kingdoms. She will stand, watching ungodly rulership trying to stop the movement forward of new, and she**

will have such Grace on her that she will not only be able, through her intercession, to displace ungodly rulers – hear me carefully – there is a power being activated in God's women of the earth this hour, that they will displace ungodly rulers.

And, not only will they displace ungodly rulers, **they will be favored to go into the King's chamber for the future.** This will be known as The Year of the House of Abigail.

The House of Anna

The third person that God mentioned to me was Anna. He said Anna...you know she was a little older... – look at somebody next to you and say, “This might be your year.”

Listen, that age means nothing to the LORD. If you are still here and you are still breathing, He is going to work with what He has!

A whole city could not recognize the Messiah. Nazareth could not. But, Anna could recognize Him as a baby. **She could recognize the beginnings of the shift.** She could recognize Him before He could even utter a word.

That is the house I think God is looking for, where all of a sudden those who have been watching and waiting for the promise recognize the promise before anyone else even has an inkling of what is going on.

Now, hear me carefully, this is my word for Aglow International – that's you.

You're going to recognize the movement of God, the promise in the earth, in places from nation to nation, before any others recognize what's happening. The LORD says to you, “This will be a prophetic year for Aglow International, for you have been an apostolic people that have risen, and you have established and you have mobilized My people. But, I say this will be a prophetic year and you will know My prophetic wind. I say you will know even the slightest movement of My wind, from nation to nation to nation. You will know and you will communicate. You will be called up before leaders to communicate. You will be sought after and you will be contacted by spiritual leaders, even some that are not in My camp now, and you will say, “This is what the LORD is doing,” and they will transfer into My camp,” saith the LORD. “I say, you will have business knowledge and business wisdom that you did not even know you carried within you, for you have been virtuous in the past, but now I say you will have eyes to see the slightest movement of My promise.”

Let's thank God for that.

The House of Lydia

And then the fourth House that I felt like was very pertinent for women this year, was the House of Lydia. Let me just read that to you out of Acts 16.

Not only will we be known as the House of Rebekah, the House of Abigail, the House of Anna, but here in Acts 16:11, “Therefore, sailing from Troas, we ran a straight course to Samothrace, and the next day came to Neapolis. ¹²From there to Philippi, which is the foremost city in the part of Macedonia, a colony” – (Macedonia tonight was a nation) – “and were staying in that city for some days.

¹³And on the Sabbath Day we went out to the city, to the riverside where prayer was customarily made, and we sat down and we spoke to the women who met there.” (This is men, by the way)

¹⁴“Now a certain woman named Lydia heard of us. She was a seller of purple from the city of Thyatira, who worshiped God. The LORD opened her heart to heed the things spoken by Paul. ¹⁵“And when she and her household were baptized, she begged us, saying, “If you have judged me to be faithful to the LORD, come to my house...” (in the year of the house) “and stay. So she persuaded us.”

I want you to underline that phrase – she persuaded us. Come to my house. Come to my house. She recognized and welcomed and entered into the new move of God that had come. She knew God. She worshiped God. And all of a sudden, as the men who had experienced God visited with her, she came alive.

I believe God prospered her greatly to cause the Church that we are part of to advance. I believe she had great influence, but the greatest influence was this... “If you see that I'm faithful, and you judge me to be faithful, come to my house.”

This is a year where women will have such a purity move of God, where women enter into a dimension of holiness – business women, women that have worshiped God but never really known Him in His fullness, government women, and all of a sudden you are going to see women saying, **“We know how to establish the house in our territory. We know how to protect the house in our territory. We know how to advance the house in our territory.”**

You are standing here tonight, at the top of the stairs of a new year, and I believe the door is open, because right before this Paul heard the Macedonia call to come over, and there was Lydia, waiting.

I believe the House of the LORD is forming in a way that we have never seen the House of the LORD form. **I do not believe women have to strive to be in leadership this year. I believe God has ordained them to lead this year.**

I do not believe you have to strive to break through in your territory this year. I believe God has ordained you to break through in your territory.

I do not think you have to force your way into a place this year. I think you will be sought out this year.

I say to you, in this year of vision, and in this year where the LORD's eyes are running to and from looking for the house, I believe God shifted this meeting to the perfect time so you would know your identity as you enter into the year ahead.

Aglow International will be used to establish the house. Men will seek the women of Aglow International. Women who have businesses this year will begin to multiply in a new way.

We have entered into The Year of the House, and I tell you what... we are looking at a virtuous Church, a year that women will rise up and display a power that they have never displayed before in the earth, and because of that, 153 nations – and I mean count them this year, starting this year for the next three years – will establish the House of the LORD, **and it will be known that Aglow Interna-**

tional had a great influence on how the earth was effected over the years 2012, 2013, 2014, and the legacy from this ministry at the end of 2014 will then pass fully to sons and daughters rising up, who know how to prophesy.

Let's stand up and thank God for what He is doing!

Father, You shifted the meeting of what represents the largest women's movement in the world to the beginning of Your day of the year 5772, because You knew that this was the year that the House had to be established.

(Just let Him rest on you for a moment.)

Husbands, men, Governors that will be contacted, Presidents of State, I say to you, God has virtuous women who know the Word of the LORD.

Let me do four activations over you.

Lay your hand right here, over your deepest part of your Spirit man, right here.

Father, I ask You right now, to stir up the Word that many have been carrying over the last forty years. Stir up the Word of the LORD. **LORD, I say the prophetic anointing attached to the women linked with Aglow International will now pour out in a new way.**

Now turn to somebody next to you and just lay hands on them, pray over them, and decree that the work of the Word is going to bubble up and pour out.

Father, I decree that people will come to hear the Word from those that are aligned with this ministry.

Father, I loose a new prophetic anointing arising all through this ministry.

Now, Father, I loose a mediation anointing in this ministry. Many will stand between and see old structures – that have been ruled wrongly – fall, and new structures coming in for a time such as this.

Father, I activate sight and faith, and I say what many have watched for they will now begin to see.

Now, pray over someone next to you on the other side, and decree their vision into fullness.

And finally, LORD, I ask You – use women to usher in the new move of God in territories. Use women to establish and house the new move of God in territories. Use the homes of women to create the house

in territories in a new way.

Father, we activate that in this ministry and we say new dimensions of ministry will begin to occur. Prayer in homes will begin to occur.

Father, we loose a new anointing to establish the house, and we set women on the forefront in their rightful leadership role.

Let's give a shout up into Heaven.

Jane: I feel like there's a PS I want to add. So many of us – I was going to say “of you” – of us – have been in Aglow for years and years and years, and we think, “Wow, I am getting older. We do not do old in Aglow.”

But recently, oh in the last six months or so, I was reading in Luke, “And the angel of the LORD came to Zacharias and he said, “I heard your prayers, and I have come to answer them.”

They had longed for a son. Years had gone by. They had believed. They had waited. But it looked like what they had waited for – well, that season had passed.

But, now the Angel of the LORD is appearing and saying, “I heard your prayer.”

At that point you would almost feel like saying, “Forget it.”

But, Chuck talked to us tonight about dreams and visions and longings and hopes and prophetic words and promises that God has spoken over your life, personally, and over this ministry corporately, that we have yet to see fully come to pass.

So, the Angel of the LORD was speaking to Zacharias, telling him, “I've heard your prayer, and it is about to be fulfilled.”

And Zacharias said, “But I am too old. And my wife is well advanced in years.”

You are not disqualified because of a number. I do not care what your age is – I do not care what number. The Angel of the LORD - the promise of the LORD, the prophetic WORD of the LORD is hovering and brooding over this ministry tonight.

And He is speaking to every one of us – men and women alike – and women of young age and women who are not quite so young. Do not disqualify yourself because of a number. God has heard your prayer. He has heard our prayer corporately, and He is coming to fulfill the WORD of the LORD that has brooded over us for forty years or more. So tonight is a night to step in fully. I do not care if you are 12 or 112, this is our time, this is our season, this is our promise and we are entering in!
