

CRAFTED PRAYER:

Crafted Prayer for our finances, unanswered prayer, and lingering promises

October 29, 2025, 9:30 am, D. McDaniel

Father, we honor You and give You all the glory for all You have done. You are the director of our future. All things are done perfectly and with utmost thought for maximum results. You have been so faithful to speak to us the promises of Heaven over Aglow International. We know we have stepped over the threshold into the New Era, and crafted prayers back to You reveal our heart to grow into Your provision. Just as You sounded the announcement in the Spirit that Jesus' time had come as You performed Your first major miracle of turning water into wine, You used a situation of lack, of desperation, of divine timing to announce, "The Great I Am is here, and the new era of miracles has begun." This announcement has never rang more loudly and profusely than now: The Great I Am is here, and the new era of miracles has begun. Aglow, your time of the miraculous has begun. You are on the clock."

Just a few short weeks ago, You enlarged us with a prophetic blessing from Asher Intrater from Tikkun Ministries. He looked right at us and released Deuteronomy 23:5... "Nevertheless, the Lord your God was not willing to listen to Balaam, but the Lord your God turned the curse into a blessing for you because the Lord your God loved you."

We began to immediately walk in the miraculous opportunities set before us...resources, assignments, breakthrough opportunities. Just as we have done before, we walked through those doors You opened only to find delay and opportunities that seemed to fall through. The old season hope deferred began to creep back for a return visit, but we said "NO! The Lord said. We declare it. We decree it. And it is finished in the Spirit." Thus this crafted prayer this morning. Desperation drives us to fertile places of opportunity with You. This is one of those.

Father God, You are always faithful, always kind and loving, and always at work on our behalf. We ask You to teach us how to grow into these promises listed in the Spirit that are designed to free us from the chain and weight of debt and lack. There is no lack in You. There is no lack in us. We are family. We are heirs with You, and all the resources of Heaven are here to serve our assignments and future opportunities. We have stepped into our new era of financial freedom and blessing so that we can become an instrument of bread for the nations.

We do not list the needs of our current situation. You know them. They have become heavy and weighty, and they defy Your authority and identity in us. Just as the new era of miracles began for Joshua, for Jesus, and now for us, we call forth every resource into its timing. We declare all delay is lifted, as we commission the angelic hosts to eradicate the evil one and his

plans over delay and hope deferred. We lift up a shout of victory! We declare the voice of triumph! Our promises in You are Yes and Amen to the Glory of God! Resources, healing, answered prayer, come forth NOW!

You declared in April, Lord, for us not to remember the former things because You are doing a NEW THING NOW! Make places and streams in the desolate areas and bring us into a new faith, expectancy, and authority that creates a new face lift for Aglow International to become and remain a House of Bread for the nations. NOW is the time, Lord! All detours, all delays, all desolations of the past, your days are over...NOW!

It is time. You are in it, Lord! You are our source of resources. Let's do this together, Papa. Resources, find your way now into our bank accounts to fund new works, new buildings, new expansion in the nations. We decree the lid is blown off the temporary cap of delay and discouragement, and we lift our praises to You, All Sufficient One. For You are a NOW God on our behalf! We follow You, Lord. You alone, In Jesus name! EVERYTHING bows the knee to the NAME. Amen. So be it unto us.

In Jesus Name.
