Running Towards The Throne!

Taken from [Nancy McDaniel's Facebook Page](#)

Nancy shared in a recent post about a thought she was pondering. The thought came from longtime friend of Aglow and speaker, Graham Cooke. Graham, at the time, was relaying the story of David and Goliath. As he spoke, he said that David *was running towards Goliath*. He wasn't running towards a battle or even, necessarily, a victory. David was running towards *his destiny*. **He was running towards the throne!**

That's a powerful thought!

Nancy went on to share that when she has prayed for people, including herself, who are facing difficult circumstances, her prayer has always been that they would overcome whatever the giant or the circumstance was. And then she noted, "Maybe I've been praying 'half-way' prayers."

"What if," she wrote, "overcoming the giant is only a steppingstone to destiny?" She asks really great questions, by the way! She continued:

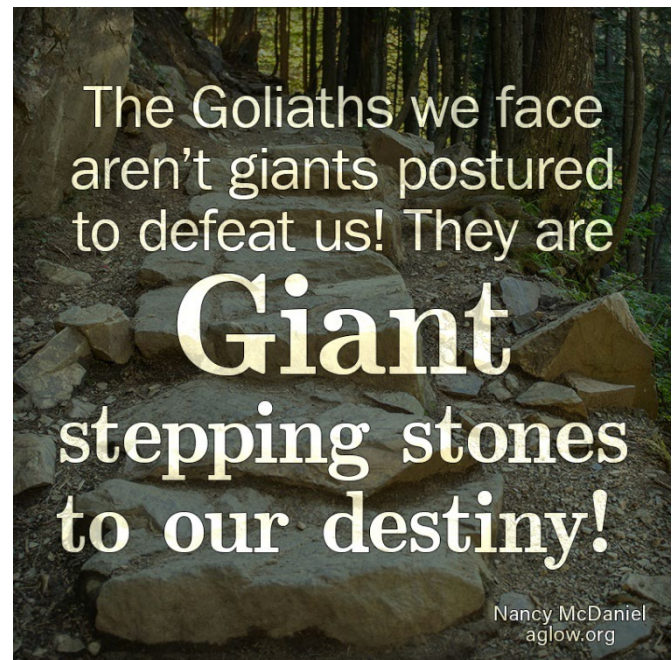

The Goliaths we face aren't giants postured to defeat us! They're giant stepping stones to our destiny! They're giant stepping stones to our upgrades! They're giant stepping stones to an elevated status in Him!

As you consider the problem that is facing you this day, may you shift your perspective to where that problem is taking you and what that problem is designed to do for you!

Surrounding Israel In Prayer

Written by John McCroskey, Aglow State Prayer Coordinator, Texas, USA

This Son is the radiance of the Sh'khinah (Divine Presence), the very expression of God's essence, upholding all that exists by His powerful word; and after He had through Himself, made purification for sins, He sat down at the right hand of Ha G'dulah Ba M'romim. Hebrews 1:3

Ha G'dulah Ba M'romim means "The Greatness on High."

Father, we pray that the Jewish people will focus in on God's greatness, splendor, sovereignty, glory, and vastness, and that the things of this world will grow dim and lose their grasp on them. We pray that the Jewish people come to know Him who loves them and paid the penalty for their sins.

A Note and A Prayer

Is there a special place you go to pray - Whether it is a physical place or a place you see when you close your eyes to pray? I have both. I have a special place where I sit with the Lord when we are together through the night. But there's also a special place I see when I close my eyes in prayer. I like to think it's a special spot in Heaven. Whether it is or it's just my imagination – Jesus knows where to find me, and He does! Aren't you thankful for the scripture in James that says, "Whenever we draw near to God – He draws near to us!" Amen!

As I was thinking of Nancy's processing with the Lord about David running towards the throne and about us running towards our destiny – it took me back to my special place in my thoughts. I always see the same imagery when I close my eyes... especially if I close my eyes when I'm facing a difficult circumstance. The picture is the same! I see myself on one side of a river. And I see a pathway lined with stones that goes across the river. And on the other side of the river is Jesus standing there with a huge smile on His face, waving at me!

It's His method of helping me to see that what I am viewing as a problem, He is viewing in a much different way! And each time I dare to take that first step onto the stone in front of me, invariably, it begins to move as a conveyor belt. Before I even get my foot to the next stone, I am standing in front of Jesus on the other side! That's what Nancy was saying! The problems we face are not giants to keep us from something! They're a giant-sized doorway into a revelation, a truth, an experience, or an encounter designed *for us*! They can't keep us from something when they're designed to bring us into something!

Let's do some declarations:

- Lord, we declare that our problems and suffering are not to be compared to the glory that will be revealed in us. Romans 8:18
- Lord, we declare that we are being transformed from one degree of glory to another! 2 Cor. 3:18
- Lord, we declare in this world we will have tribulation, but we take heat! You have overcome the world! John 16:33

Joyfully Yours,
